Greetings from Steve Rankin

So good to hear from you Builders in ministry. We're getting a great start on the school year. I'm not sure about the number, but I think we have 18 new members of the Discipleship team this year. Martin Rude did a great job recruiting. We have an interesting problem: we have outgrown our chapel space. At our Welcome Back Worship we had 104. Our first Wednesday chapel brought 123 people. We're over the fire code limit. Please pray for us. We are seeking wisdom and guidance about how to solve this problem. It's a wonderful problem to have.

We are living in Great Bend, KS. John works at Countryside Veterinary Associate. Stacie stays at home with Chloe Donissa (2 1/2 months).

Once again God has been working in my life doing awesome things. I just got word last week that my work visa has been delayed again so that means I can't work for the next 10 to 15 months while waiting for it to go through. Rather than wait, I've decided to return to Malaysia because I feel that God is calling me home for a reason. I still have no idea what His plans are but I know that His ways are always the best. I will be leaving Kansas sometime in December so if you're in the area, come by and chat for it may be a while before I see you again. My personal e-mail address is szetho@hotmail.com in case anyone wants to e-mail me once my SC account ceases to work. God bless you all and it's been a great 5 1/2 years in Kansas.

In Christ,
Szetho Wei Shen "Z"
