PRES. E. T. FRANKLIN

DEDICATION

To you, President Franklin, we dedicate this Mound-builder of 1930. Though you have been with us but a short time, you have won a place of esteem in our hearts and minds. We congratulate you upon the success that you achieved before you came to us, and because of those past attainments, we feel sure that you will guide us in our great quest for the light. It is our sincere wish that you may find happiness and joy here at Southwestern.

ORDER OF THE MOUND

THE Order of the Mound was established by the Faculty of Southwestern College in 1917. Its purpose is to give recognition to those who have maintained a record for superior scholarship throughout the four years of their college life. The election occurs at the close of the first semester. Seniors who have earned seventy-five hours of credit in Southwestern and have an average grade of "B" are chosen. Those who have earned less than seventy-five hours in Southwestern are given Honorable Mention. From ten to twelve per cent of the class are given this honor, the highest to be earned in the college. A key similar to the famous Phi Beta Kappa Key is given with the award. The group is notable for its achievements since graduation, as well as for their high college record.

The names of those who have earned a place in the Order of the Mound for 1930 are as follows:

BAKER, ERMA
BLUNK, RUTH
COCHRUM, ALMA
DRESSLER, GRACE
FRENCH, LEPHIA
HAAS, PEARLE

STUDENT COUNCIL

RANDALL
ROYCE
President

THE Southwestern Student Council was organized in order to promote a constructive school spirit; to further develop harmonious relations between faculty, students and student organizations; and to provide a representative organization to take the initiative in all student enterprises.

Student Government in Southwestern, of which the Student Council is the nucleus, aids and advances all worthy student activities and regulates, thru its four standing committees and numerous temporary ones, matters pertaining to the conduct and welfare of all students.

The Council, operating under a new constitution has, this year, given its attention to all activities of student interest. Due to the fact that many of the routine and painstaking affairs have been dealt with wholly by the student executive committee, the Council has, in past years, had more time to devote to constructive work. In this, it has been the aim and hope of all Council members to advance Southwestern College by developing symmetrically and systematically all worth-while activities, organizations and institutions during the year 1929-30.

INTER-SOCIETY COUNCIL

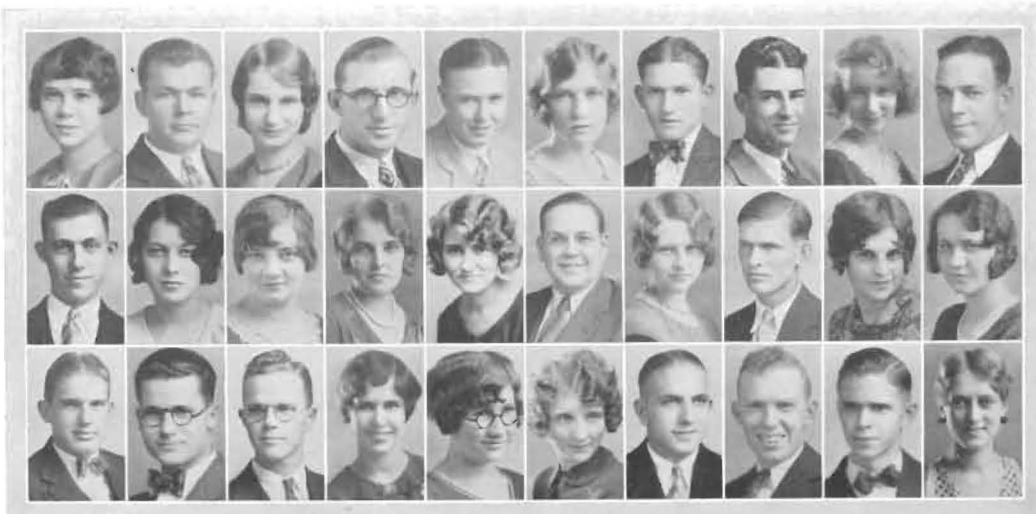

THE Inter-Society Council was organized in 1923 for the immediate purpose of regulating rush, which had become such an evil that some action was necessary. The plan was suggested by Professor David MacFarlane, and the organization was patterned after that of the Inter-Fraternity Council of Northwestern University of which Professor MacFarlane was a member.

The Council decides on rush and pledge rules and sees to the enforcement of them, as well as discussing society problems. Not all the work of the Council is regulative however. It encourages the development of individual talent and friendly competition by sponsoring inter-society oratorical contests and Little Theatre plays. It also promotes scholastic achievement through the computation and publication of the grade standings of the societies at the beginning of each semester.

The membership of the Inter-Society Council is made up of the faculty, the literary society presidents, and one member elected from each society. The meetings are presided over by Professor MacFarlane.

IN a retreat at the opening of school, the Y. M. cabinet selected for its objective the development of "a 'Y' for all Southwestern men." With this in view the "Y" sponsored the pep life of the school and intra-mural athletics in addition to the Wednesday morning devotional periods.

Harold Colvin, general secretary for the Rocky Mountain Region, and Lyman Hoover, traveling secretary from the Denver office, each talked on the relation of the work of the association to athletics. A Y. M. team took part in the intra-mural athletics and was successful in reaching the close of the season in third place.

A varied program was offered in the chapel at the ten-o'clock hour on Wednesdays. Business men from the city, ministers and members of our own faculty spoke on a wide range of topics, emphasizing especially men and women relations and bringing out different phases of the race question. Each fourth meeting was an inspirational one held jointly with the Y. W. C. A.

In addition to this work, the Y. M. aided in all-school social functions, in the sending out of gospel teams, and in the work at the county farm. It also sought to emphasize the great world-wide nature of the "Y" movement, and to make the student body feel that it was really a part of a great international youth movement.

THE MOUNDBUILDER

Y. W. C. A.

THE Young Women's Christian Association of Southwestern College stands as a strong foothold for any girl. The membership of the "Y" organization is open; it is supported and upheld by the students, it is a body both *of* and *for* the girls of the college.

The Y. W., in co-operation with the Y. M., carried on in the past year a varied program of weekly inspirational and worship services, general discussions, and short plays. These programs gave the students a new outlook and a new interest in many phases of college life. In addition to the weekly Wednesday meetings, the members participated in and carried on such activities as Poor-Farm work, Big and Little Sister Functions, Gospel Team Service, and parties for the entertainment of the entire school.

Each year the Y. W. C. A. loans money to students who wish to attend the Estes Park Conference held in Colorado. This year the Y. W. and Y. M. cleared over two hundred dollars each semester through candy sales in the halls and at intercollegiate games. This money is used to make the loans to students.

Each "Y" girl has tried to make the Southwestern organization an important unit of the great international "Y" that follows the words of the song—

"Follow, follow, follow the gleam,
Banners unfurled, o'er all the world;
Follow, follow, follow the gleam
Of the light that shall bring the dawn."

PI GAMMA MU

RUTH BLUNK
President

PI GAMMA MU, great national Social Science society, which now has one hundred and five chapters in colleges and universities all over the United States, and nearly eleven thousand members, originated at Southwestern. In the spring of 1924, Dean Leroy Allen, then Professor of Economics, called a group of his majors together in old room 23 and suggested the organization of a national economics society. Each contributed the munificent sum of twenty-five cents to defray the expenses to be incurred in the establishment of such a society. Its scope was afterward broadened to include all branches of social science.

The aim of Pi Gamma Mu is to promote the scientific study of all social problems and to inculcate the idea of some co-ordination of efforts along this line in all such fields as sociology, economics, commerce, business administration, law, political science, history, philosophy, psychology, religion, ethics, biology, geography and anthropology. Only students of the highest character, personality, and scholarship are elected on the basis of their interest in scientific social study and their promise of usefulness in this field. Each student and faculty member elected to the Southwestern chapter is required to write, as his initiation stunt, a paper on some social science theme.

Dean Allen is still national president of the society and is the editor and publisher of its magazine, called "Social Science," published at Southwestern.

BETA BETA BETA

BETA BETA BETA, national Biological honorary fraternity, was founded in 1922. At present there are chapters in fifteen states and one foreign country.

Beta Beta Beta was organized for the purpose of supplying for the biological sciences an honorary undergraduate fraternity that would be instrumental in promoting interest in this department of learning and in furthering the objectives of the science. It attempts to do this, in part, by reserving its membership for those who meet certain scholastic standards and have completed a required amount of work. Aside from stimulating scholarship, Tri Beta has as additional objectives, the spread of biological information and the advancement of science by new discoveries. It emphasizes, therefore, a threefold program, namely, sound scholarship, dissemination of scientific knowledge, and promptness of biological research.

Dr. Wm. M. Goldsmith, sponsor for the Delta chapter at Southwestern College, was re-elected National President, at Des Moines, at the meeting of the American Association for the Advancement of Science.

KAPPA OMICRON PHI

PEARL HAAS
President

KAPPA OMICRON PHI is a national honorary professional fraternity for Home Economics majors. Its members are selected on a basis of scholarship, initiative, leadership, and personality. The Mu Chapter was organized at Southwestern College May 31, 1929, with seven charter members. Organization and installation were sponsored by members of the Alpha Chapter at Maryville Teachers College, Maryville, Missouri.

The purpose of this organization is to promote the best interests of Home Economics in four-year colleges. We realize the world needs women who have attained an intellectual, spiritual, ethical, and aesthetic poise. Therefore we wish to develop women with higher ideals of sane living, with deeper appreciation of the sanctity of the American home, with broader social and higher intellectual and cultural attainments.

At the present time there are ten chapters in the United States. The members are elected from among the upper fifth in scholarship of the Home Economics majors in each school. The members are required to take a national examination each year as long as they remain active.

This spring, in our own chapter, local Founders' Day is to be observed with a house party. The annual banquet will be held May 16.

GAMMA OMICRON

THE Gamma Omicron was organized in October, 1921, with the purpose of developing a closer union among the girls who were members and to give training in social poise and instruction in the field of Home Economics.

Gamma Omicron is an honorary organization for Home Economics majors, who are sophomores, juniors, and seniors, and whose grades meet the requirements which make them eligible for membership.

The two phases of the club work are symbolized by the jeweled teakettle and thimble pin worn by the members.

Under the leadership and inspiration of our sponsors, Mrs. Goldsmith, Miss White and Miss Stewart, and our president, Miss Phillips, we are growing to be a progressive organization in the college.

The honorary members are: Mrs. Albert Kirk, Mrs. Ezra T. Franklin and Miss Grace Raymond. These women are interested in Home Economics, but on account of their positions it would be impossible for them to join the organization other than as honorary members.

WOMEN'S ATHLETIC ASSOCIATION

MARGARET
HARNDEN
President

THE purpose of the W. A. A. is to promote interest in athletics and good sportsmanship among girls and to stimulate pep for all college activities. It was organized in the year 1924 under the leadership of Miss Lillian Cloud.

All the girls' athletic activities are sponsored by W. A. A. Intra-mural teams in volley ball, basket ball, track, tennis, horseshoe pitching and croquet have been organized. This year ring tennis has proved to be a popular sport. Awards in points are given to girls taking part in these activities. When they have earned 300 points they are entitled to membership in the Builderettes, the W. A. A. pep club. The highest honors which a member may receive are: A Southwestern blanket, awarded for two thousand points, and a white "S" sweater, given for fifteen hundred points. Margaret Harnden is the first girl to receive a Southwestern blanket.

Each year the W. A. A. conducts a Health Week. Last year the W. A. A. added the Play Day to her list of activities at which time various High Schools are entertained and contests held.

PI SIGMA PHI

PI SIGMA PHI, honorary lettermen's fraternity, seeks to promote scholarship, sportsmanship, and high moral character. Membership is confined to those who have been awarded the varsity "S" in at least one sport. This organization seeks to serve as a nucleus for Southwestern Spirit and is admirably suited to do so because every member has defended the school tradition and honor on the field of play.

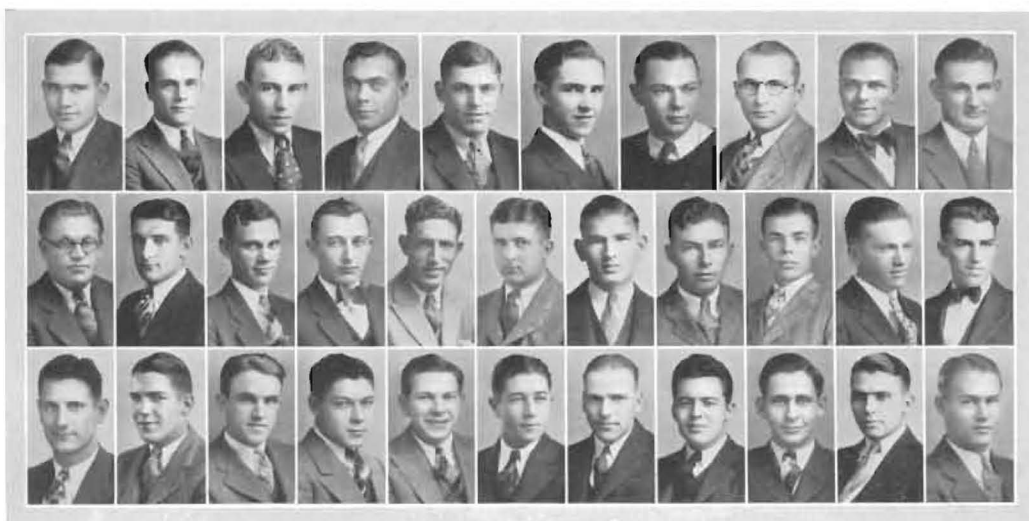

The organization is sponsored by a member of the faculty. At the present time Professor Poundstone is sponsor and Coach Wm. Monypeny is advisor.

The annual "Pi Sig" banquet each spring is one of the social high lights of the year. It serves as a long remembered reunion of the Builders of the past and of the present, and renews the ties of friendship.

Pi Sigma Phi supports all school activities and acts in the capacity of a reception committee to visiting teams and coaches.

COSMOPOLITAN CLUB

E. K.
KAWAMURA
President

THE Cosmopolitan Club was organized in the fall of 1927 under the auspices of the Y. M. and Y. W., for the purpose of fostering international good will and inter-racial understanding on our campus. Its membership consists of all foreign, negro, and Indian students who are enrolled in school, and also of the native white students who are interested in the club.

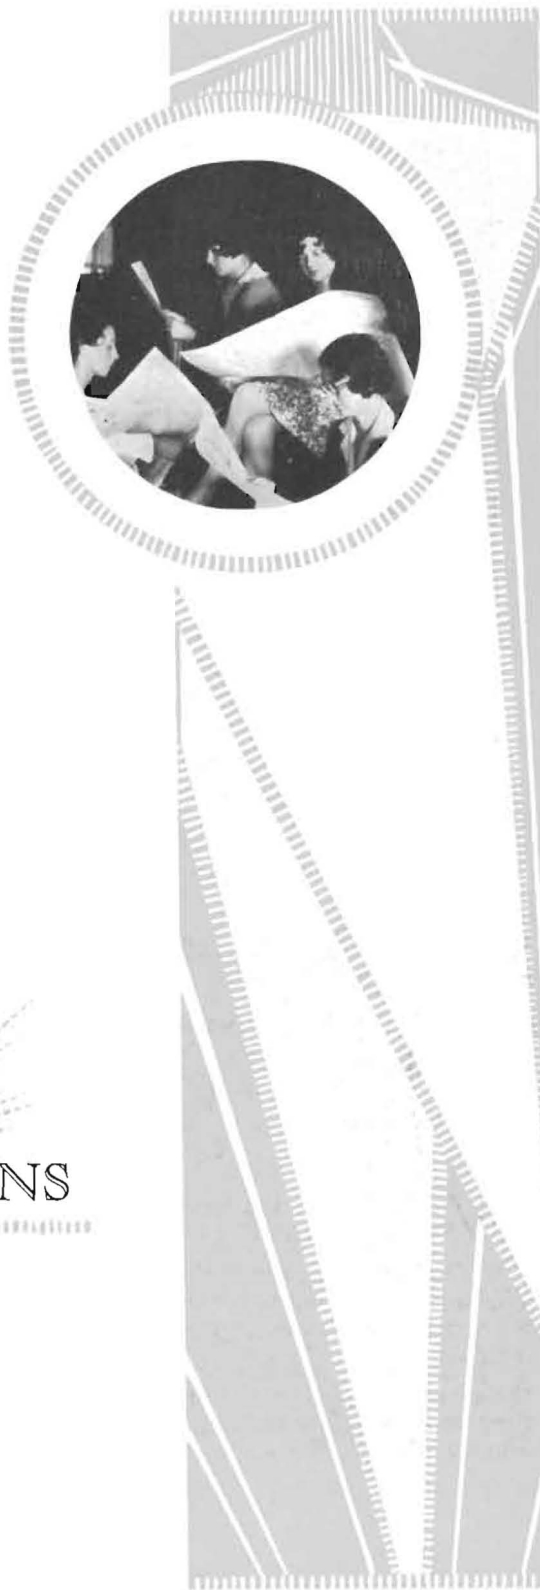

This year the members have discussed a number of interesting phases in international problems, especially those of the Far-East. Some of these are: Negro problems, the Japanese educational system, Chinese customs, Christmas and New Year in Japan and China, and race prejudice.

The development and success of the club this year is due to the work of E. K. Kawamura, president first semester, and Pang Y. Feng, president, second semester. Others interested in the club are W. M. Vickery, Blackwell, Oklahoma; Reverend and Mrs. W. R. Johnson, Winfield; and Professor Henry W. Taylor, Sponsor of the club.

Members who do not appear in the picture are: Elsie Gantz, Lois Mawdsley, Thomas Wang, Shou Te Tseng, Vida Jennings, Miriam Cunningham, Pink Cottom, Francis Kekahbah, Mattie Mae Sims, Helen Hutsell, and Louise Hotton.

WE HAVE chosen for the theme of our book this year, "Light" from the South-western motto, "Lux Esto," meaning "Let there be light."

The Moundbuilder is the chronicler of organizations and events of the school year. We have endeavored to present in this volume the things that are of student interest, and we appreciate the co-operation shown by the faculty and students in producing it.

The Editor and Business Manager are selected by the Board of Publications. At the same time assistants from the Junior class are chosen. If their work is satisfactory they become Editor and Business Manager for their Senior year.

We hope that later, when you look at the 1930 Moundbuilder, you will have memories of this year as being, perhaps, a little brighter and happier than the others of your school life.

FOOTBALL

THE high lights of the 1929 Builder football season were: The defeat of the College of Emporia on the Southwestern field, 13 to 2, and the defeat of the Pittsburg Gorillas on Thanksgiving Day at Pittsburg, 3 to 0.

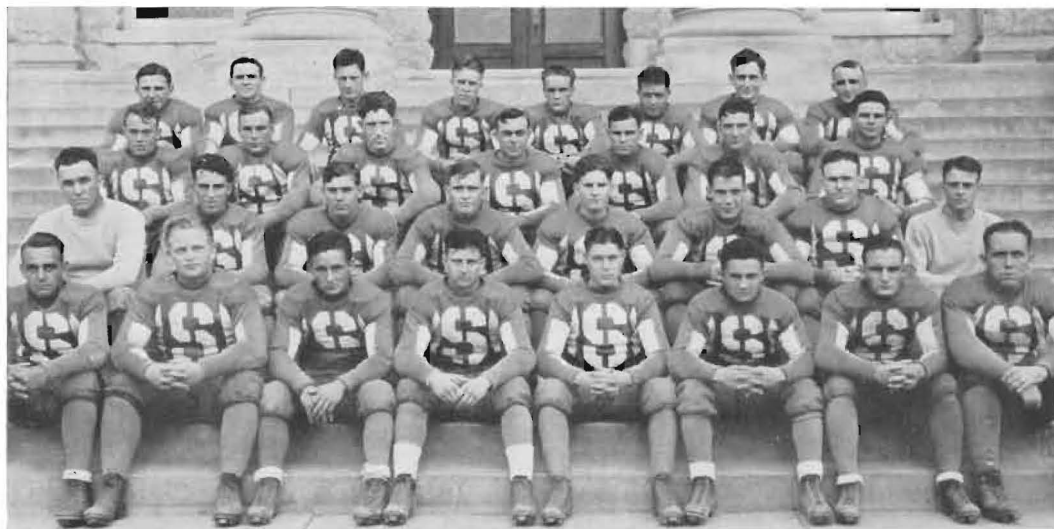

The opening game of the season was played with the Edmond Broncos at Edmond. It resulted in a 0 to 0 score game. The following week the Friends University Quakers invaded Winfield and took a 3 to 0 encounter from the Builders, after having been badly outplayed throughout the contest.

The next week the Purple squad played the best ball of the season to down the College of Emporia 13 to 2. In the Emporia Teachers game the Builders were knocking for nearly three quarters at the Teachers' goal, but they lacked the punch to drive over a touchdown. The game ended 13 to 0, in favor of the Teachers.

The next game was with our rivals, the University of Wichita. It was played in a down-pour of rain on the Builder field. Captain Pete Galligher's great punting was too much to overcome in this mud battle. The affair ended 13 to 0.

The Builders met defeat in the encounter with the Hays Tigers with a score of 19 to 6. The next to the last game of the year was played with the Washburn Ichabods. The Washburn team pushed over two touchdowns the first half. They were outplayed in the final stanza, but emerged victorious, 13 to 7.

The Pittsburg game was won by the Builders, when Merritt Mesch booted a field goal in the final minutes from the twenty-yard line to give Southwestern a 3 to 0 victory.

Ready for action

FOOTBALL

CHARLES FOSSEY
End—180 lbs.

"Cob" is an excellent blocker and an ideal wing man. He has one more year to wear the Builder jersey. His home is at Nickerson.

BYARD ANDERSON
Guard—180 lbs.

"Andy" got his initial baptism in college football last fall, and he pronounced that he liked the sample. His home is in Blackwell, Okla.

COACH
BILL MONYPENY

Coach Bill is an ideal man for the position which he holds. As a football coach he is a man of unusual ability. As a director of athletics Mr. Monypeny is extremely careful in his administration. As a member of the college faculty Coach Bill is held in high esteem. He has made good at Southwestern in a big way.

(Lower Right)

Though light, "Jake" is one of the best ball carriers on the squad. A great future is predicted for him. He comes from Wichita.

ALBERT HARRIS
Fullback—160 lbs.

"Blue" is a steady player, not flashy, but can always be depended upon to deliver in the pinches. He comes from Belle Plain.

KENNETH DUSENBURY
Guard—165 lbs.

"Dusey" is fast and runs a fine interference. He is also a deadly tackler. He is an Anthony boy.

LAWRENCE RICHARDSON
Quarterback—140 lbs.

FOOTBALL

DAN SWARTZ
Guard—190 lbs.

Dan is big and powerful. He should make a great lineman next fall. He is a Winfield boy.

RAYMOND McALLISTER
Quarterback—160 lbs.

Though a Freshman this year, "Mack" played some fine ball. Big things are expected of him in the future. His home is in Blackwell, Okla.

ARNOLD PRIEST
Guard—170 lbs.

Assistant Coach
ERSAL CAIN

Cain, an old Southwestern athlete, was Coach Bill's right-hand man during the football season. He has full charge of all boys' physical training work, manages the annual intramural basket ball tournament, and coaches indoor track and baseball. Coach Cain has rendered splendid service this year at Southwestern.

(Lower Left)

"Army" demonstrated last fall that he could play the gridiron game with a great deal of ability. He comes from Newton.

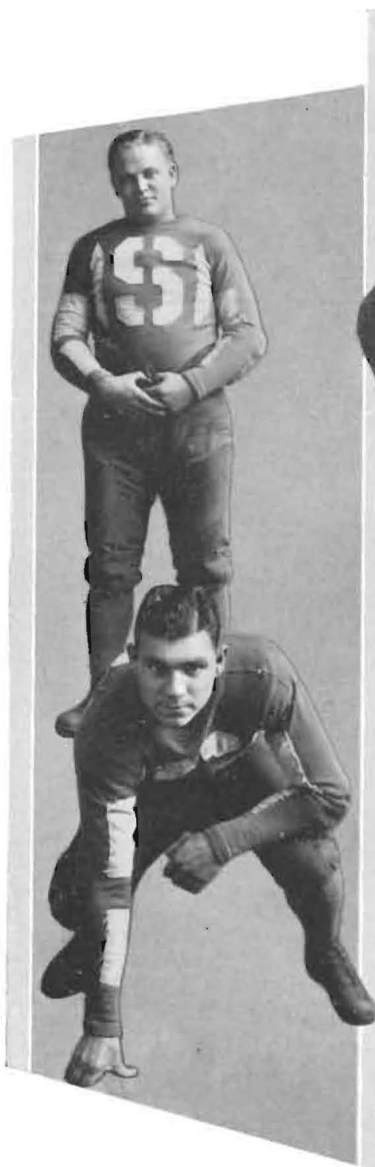

CLAY HILDINGER
Center—178 lbs.

Clay possesses an excellent pass, one of the prime requisites of a good center. He comes from Jet, Okla.

EDGAR NININGER
Halfback—158 lbs.

Ed was one of the fastest backs the Builders had last fall. He has two more years to battle at Southwestern. He hails from Hutchinson.

FOOTBALL

OSWALD HAUSCHILDT
Center—210 lbs.

"Ossie" was one of the outstanding centers in the Central Conference and will be back for battle next year. He lives at Ponca City, Okla.

MERRITT MESCH
Halfback—170 lbs.

Mesch was one of the shiftiest ball luggers that was seen last fall. His home is at Stillwater, Okla.

Captain

MAURICE WILLIAMS
"Mutt" finished his fourth year of football for the Builders last fall. He is regarded by coaches as one of the greatest tackles ever produced in Kansas and was given a tackle position on the All-Kansas eleven for the past two years. He played his high school football at Marion.

(Lower Right)

"Pic" was one of the best interference running linemen in the conference. He graduates this spring and his place will be hard to fill. He comes from Morris, Okla.

DENNIS COWAN
Fullback—160 lbs.

"Denny" was a most dependable fullback. He has played four years at S. C. His home is at Nickerson.

HOWARD SIDWELL
Halfback—160 lbs.

"Sid" is a fearless player running good interference, and he lugs the ball with great ability. He lives in Winfield.

KARL WRIGHT
Guard—155 lbs.

FOOTBALL

WILFRED OKERBERG

End—190 lbs.

The fact that "Okey" was selected as an end last fall on the All-Kansas team is conclusive proof of his ability. He hails from Newton.

ALBERT MALLON

Fullback—170 lbs.

Mallon was one of the Freshman boys that saw a lot of service on the Builder squad last fall. He lives at Anthony.

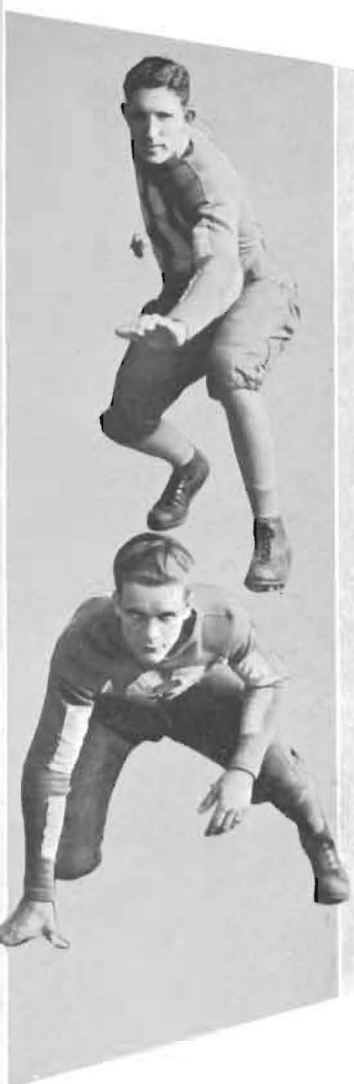

Captain-elect

ORLEY WILCOX

Quarterback—150 lbs.

Orley won the election of captaincy of next year's team through his earnest playing of the the past three years. He is a splendid field general and the most popular man on the squad. Orley will play his last ball for the Builders next year. He comes from Marion.

LAWRENCE LING

Tackle—185 lbs.

"Larry" has won four letters and was one of the outstanding men of Coach Bill's offense. He comes from Jetmore.

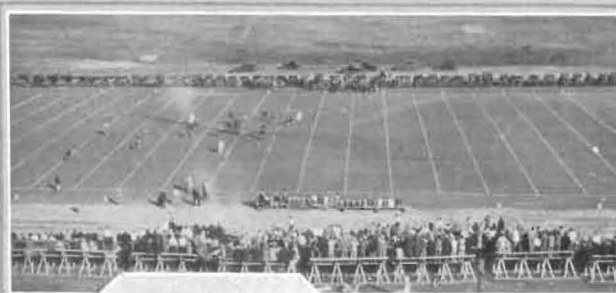

VIRGIL BRUCE

End -168 lbs.

"Brucy" is a fine interference runner and is also adapt at snagging passes. He lives in Winfield.

BASKET BALL

ALLEN FINK

Fink was used a great deal at forward. He did especially good work in the annual Intercollegiate Tournament.

EVERETT GREEN

This was Green's first year on the varsity, but he proved to be a valuable man to Coach Martin.

LEE SHEPARD

Lee is extremely fast and has a good eye for the hoop. His speed carried him to many a basket.

COACH BILL MARTIN

Coach Martin came to Southwestern from the Winfield High School, where he coached for the past five years. He has gained the confidence of his men and the student body in his first year. With the experience his new men have had this year a great team will represent the Builders next winter.

SIDNEY MOORE

"Sid" played as forward during most of the season and could be counted on for several goals each game.

CHARLEY FOSSEY

A severe knee injury prevented Charley from playing much this year. He was unanimously elected to captain the Builders next year.

BASKET BALL

HOWARD SIDWELL

"Sid" is a hard fighter who never gives up. This past season, as a guard, he was one of the Builder's high scorers.

INGLE STEPHAN

Ingle is a clever dribbler and has a good eye for the basket. This is his first year, but Builder fans may expect much from him.

Captain

WILFRED OKERBERG

Captain Okerberg played his third year for the Builders and has been chosen as a guard on the first All-Central Conference team. "Okey" has consistently outjumped all opponents at center during the past season and is a strong defensive man. He has one more year to play.

VIRGIL BRUCE

Bruce played splendid ball all season, and his floor work in particular was highly commendable. He has three great years ahead of him.

ARNOLD PRIEST

Priest has unusual ability to take the rebound from the back-stop and clear himself from all opposition. He has made an enviable reputation for himself.

BASKET BALL

SUMMARY OF THE SEASON

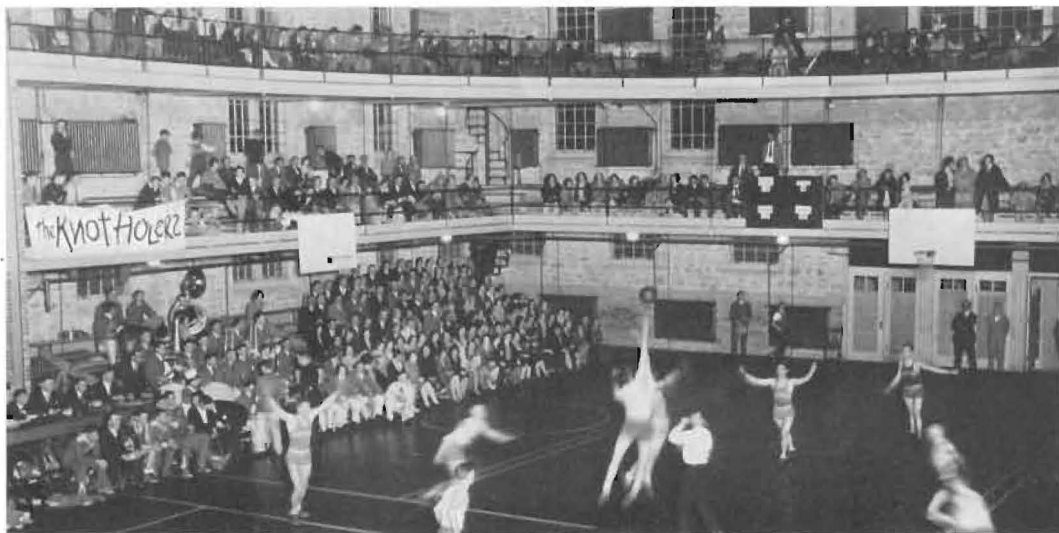

COACH BILL MARTIN, who had won three consecutive State Championships with his Winfield High School teams, took over the reins at the Builder school with the start of the basket ball season last fall. During his first year in collegiate competition he made a very creditable showing. Difficulties made it necessary to place a practically inexperienced squad on the floor.

Ten non-conference games were arranged and played preliminary to the start of the Central Conference race. Of these ten games the new Builder machine won nine and lost but one, that to the Bethany Swedes, who later won the Kansas Conference Championship and finished fourth in the National Tournament at Kansas City.

The Builders opened their Central Conference season with an impressive victory over the strong Emporia Teachers on the home court, 25 to 18, and closed the season with a great victory over our ancient rivals, Wichita University, at Wichita, 26 to 27.

The Purple team finished the Central Conference season with a rating of 500, which is high considering the inexperience of the squad that went through.

Wilfred Okerberg, Captain of the team, was placed on the first All-Star selection of Central Conference teams by vote of the coaches of the seven conference schools.

BASKET BALL

A Summary of the Second Annual Southwestern Intercollegiate Tournament

THE Second Annual Southwestern Intercollegiate Tournament, held in the Builder Gym March 5-6-7 and 8, was extremely successful, with teams from four states contesting for tournament honors. Teams from Nebraska, Missouri, Oklahoma, and Kansas were present this year, and the play was of the highest type.

Maryville Teachers College of Maryville, Missouri, with a great team, won the second annual tournament. The Missouri team, by defeating the Southwestern Builders in the final game, concluded an unusually successful season, by having won thirty-two consecutive games, including the games played here at the Southwestern Tournament.

The officials who worked the tournament, E. C. Quigley, Leslie Edmonds, Dwight Ream, and Carroll "Red" Smith, picked the following all-tournament teams:

<i>First Team</i>		<i>Second Team</i>
McCracken (Maryville)	F	Daylight (Chilocco)
Finley (Maryville)	F	Manning (Alva Teachers)
Okerberg (Southwestern)	C	Reynolds (Edmond Teachers)
Iba (Maryville)	G	Murrell (Cotner)
Sidwell (Southwestern)	G	Cleveland (Edmond Teachers)

All coaches present expressed their intention to return for the tournament next year. The 1931 Tournament will be held March 4-5-6 and 7, as announced by Wm. Monypeny, originator and manager.

Presenting the trophies

TRACK

THE 1929 Moundbuilder track team, though limited with material, made a suitable showing in the conference. The team consisted of two seniors, two sophomores, and four freshmen. "Chet" Shepherd and Joe Zile have completed their four years and now stand by and show the other boys how to do it. Gunn and Elliott forgot to return to school, which leaves Capt. Okerberg, Roniger, L. Shepard, and "Sid" Moore; with the addition of some fine looking "Frosh," to continue their good work.

A brief resume of the meets of 1929:

The class meet was won by the Freshmen, led by Moore, King, Nininger, Shepard, Gunn, etc.

On April 6th Southwestern won a dual meet with Chilocco at Chilocco. Okerberg was high point man with 22 points.

On April 20th Southwestern took two relay teams to the Kansas relays. Creditable work was shown, but no laurels won.

On April 27th Sterling invaded S. C. territory and after a hair-raising relay race ran off with the meet, 68-65.

May 4th Southwestern took 3rd place in the quadrangular meet at Wichita between the following schools: Pittsburg, Withita U., College of Emporia, and Southwestern.

May 10th and 11 Southwestern attended the Central Conference meet at Emporia.

VIOLIN CHOIR

DEAN
ALTVATER
Director

THIS ensemble is the result of a great deal of painstaking study and experimentation by Dean H. Hugh Altvater. It represents an original combination of string instruments which has proved considerably more flexible than the usual string orchestra. The music is all specially arranged by the conductor.

In this, its ninth concert year, a more extensive concert schedule has been carried out than ever previously. The major trip comprised more than two weeks over Kansas and Colorado, including Denver, Colorado Springs and Pueblo. Frequent local appearances and several shorter trips were also a part of its activities during the past year.

The repertoire this year also has been more elaborate than ever before. The beautiful but difficult "Prelude" to Wagner's "Parsifal" is the most complex work yet attempted by the choir. Tschaikowsky's "Harvest Song," Mozart's "A Minor Symphony," and other numbers of like caliber were included. Soloists were Miss Grace Compton and Mr. Loren Crawford, violin; Mr. Paul Oncley, viola; and Miss Edna Julian, soprano.

A CAPPELLA CHOIR

AS THE pioneer organization of its kind in the Southwest, the A Cappella choir has been of immense influence in the musical life in this part of the country.

Four years ago A Cappella was organized by Harold S. Dyer, for the purpose of studying and producing the highest type of choral music, including the Russian liturgical music, English classics, and choral works of modern composers.

This year Prof. Haydn Owens, a prominent choral conductor of Chicago, was chosen as director and maintained the reputation of the choir in excellent fashion. Under his management the annual spring tour was the most extensive undertaken by any Southwestern organization. Included in the itinerary were two concerts in Chicago, and broadcasting over the radio on WLS, St. Louis, Kansas City, Columbia, Springfield, and Joplin, with a number of concerts in smaller towns.

In the spring of 1928 the choir sang for the International Conference of the Methodist churches in Kansas City, and in 1929 at the National Conference of Music Teachers at Wichita.

The organization has gained a reputation equal to many nationally known organizations of its type. It is hoped that larger tours can be promoted each year to insure reputation of the choir and Southwestern.

MEN'S GLEE CLUB

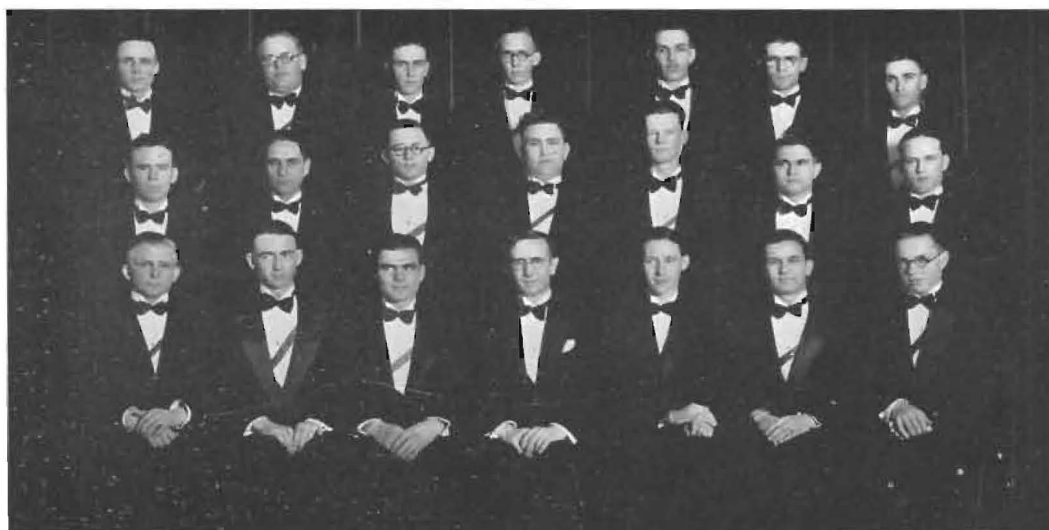

PROFESSOR
OWENS
Director

SOUTHWESTERN COLLEGE has become widely known through the noteworthy success of the Men's Glee Club, which, during the last four years, won two first and two second places in the State Intercollegiate contests held in different cities, losing first place by seven-tenths of a point in the 1930 contest held January 31, at Sterling.

The Club was invited to compete in the Missouri Valley contest held in Norman, Oklahoma, February 14, but because of the great number of other musical activities in the Choral Department, which commands closest attention, it was decided not to accept the invitation.

Although the Club has not maintained a year-round program of rehearsals and concerts, it did appear a number of times in Winfield on occasions of importance in its calendar year, being heartily received by appreciative audiences.

SOUTHWESTERN BAND

THE Band of Southwestern College was reorganized this year under the direction of Professor C. O. Brown. It has a membership at the present time of thirty-five. The Band is governed and disciplined by its officers and an executive committee.

The organization was able to purchase handsome new uniforms. This was accomplished with the aid of the student body and faculty, and also with some sacrifice on the part of each member.

The Band functions at all the major athletic events of the school. A very successful tour was made of western and north central Kansas. This was a novel event in that it was the first tour of this kind ever made by our Band. Credit must be given to Professor Brown for its success. He has endeavored to raise the standard of band music in Southwestern College.

ORCHESTRA

PROFESSOR
BROWN
Director

SOUTHWESTERN has good reason to be proud of her Symphony Orchestra. Few schools of this size can boast of a complete instrumentation of skilled players, and of covering the field of orchestral literature that this organization, under the baton of Professor C. O. Brown, has studied and performed. Moreover, keeping step with the development of the other departments in Fine Arts, the Orchestra has reached a higher point this year than ever before.

Early in December the Orchestra made its first appearance, in conjunction with the Festival Chorus. Besides playing Mendelssohn's "Italian" and Haydn's "B-flat Major Symphonies," the group played the accompaniments to the chorus numbers. In the rendition of the oratorio "Elijah," the orchestra, with the symphony and the string orchestra, appeared under the direction of Professor Loudenback of the piano department.

The final concert of the year represented a peak of orchestral achievement. The Schubert "C Minor Symphony," German's "Nell Gwynn" suite, and other numbers were included.

CAMPUS PLAYERS

A PROFESSIONALLY dramatic atmosphere permeates the organization called "The Campus Players." To achieve membership to this group of actors and actresses is the ambition of many students. The Players themselves experience a comradeship excelled by no other organization on the campus.

Ever since the Campus Players were organized in 1919, they have assumed the responsibility of presenting one play in the fall and one in the spring. Southwestern has recognized the high quality of their work; they have played Shakespeare, Barrie, and one of America's folk dramas—"Sun Up," by Lula Vollmer. The players have thrived under the direction of Miss Helen Graham who at present is on a leave of absence pursuing graduate studies at Northwestern University's School of Speech. Miss Mila Bray is directing the players for the year. She obtained her Masters Degree last spring at the Northwestern University School of Speech and also became a member of the National Dramatic Fraternity, Alpha Psi Omega. The "Players," last fall chose to present a comedy written by one of our ablest American writers—"You and I," by Philip Barry.

Any student who has taken a major role in a society play or a minor role in a Campus Player's production is eligible to apply for membership. One of the pleasurable incidents of each year is a Spring banquet given for the newly elected members.

THE LENEANS

PROFESSOR
E. DIELMANN
Director

THE Leneans, an organized group of Southwestern students, under the direction of Miss Edith Dielmann of the Fine Arts Faculty of Southwestern College, presented this year, "The Star in the East," by Jean Harnwell. It is a four-act drama portraying the book of Esther.

"The Star in the East" has met with marked success. It was given in fifteen cities in the Southwest Kansas Conference to large and responsive audiences. Wherever the Leneans play they always receive an invitation for a return date the next year.

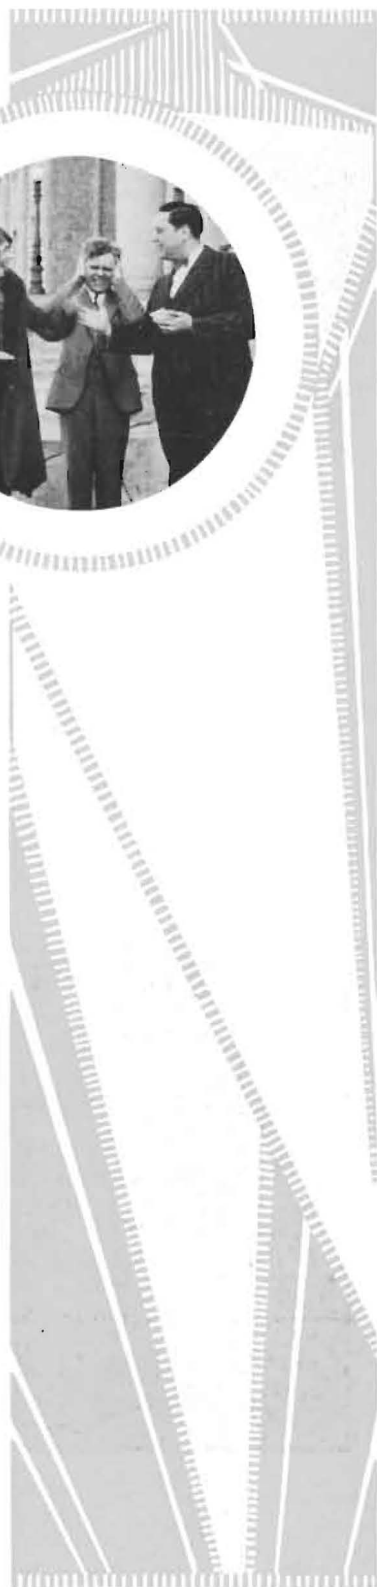

The Leneans were organized in Southwestern College in the fall of 1927 under the direction of Doctor Albert E. Kirk, who, for several years, had desired a permanent religious dramatic organization.

The first year the Leneans presented "The Rich Young Man," by Sarah Kingsbury. The action of the play took place at the time of the early ministry of Jesus. The next year the Leneans gave "The Rock" by Mary C. Hamilin. "The Rock" portrayed the character development of Simon Peter. During the three years the Leneans have presented their plays more than thirty times in cities in Kansas.

The purpose of the Leneans is to further the work of the church by presenting a message in dramatic form. The organization functions as a college activity, but is financed entirely by the church offerings. Through careful planning and management the group has purchased the costumes and stage properties for the plays, although each play calls for something new.

DEBATE

DEAN ALLEN
Coach

DURING the academic year of 1929-1930, the most strenuous program in debate ever attempted was carried through most successfully. The men's teams had thirty-two contests and the women's teams thirty-one.

After a year of splendid work on the part of Coach Carl Taylor, the work was this year resumed by Dean Leroy Allen, who had been Coach for the four preceding years.

Among the colleges and universities debated by Southwestern this year were: The University of Tulsa; East Central State Teachers College, Ada, Oklahoma; Oklahoma City University; Central State Teachers College, Edmond, Oklahoma; Southwestern State Teachers College, Weatherford, Oklahoma; Phillips University; Oklahoma A. and M. College; Friends University; College of Emporia; University of Wichita; Arkansas City Junior College; El Dorado Junior College; Bethel College; Illinois Wesleyan University; St. Louis University; Carthage College; College of the Pacific; Weber College; McPherson College; Bethany College; Kansas Wesleyan University; Washburn College; Baker University; Ottawa University; Kansas State Teachers; College of Emporia; and the University of California at Los Angeles.

The outstanding events in debate were the great Intercollegiate Tri-State Debate Tournament, a men's tour of colleges of Oklahoma, a women's tour of Kansas colleges, and the participation of both in the National Pi Kappa Delta Tournament at Wichita.

ORATORY

THIS year there has been a greater interest in Oratory than for many years, and more than twenty orators have taken part in the various events.

John Porter won the gold key given annually by the coach of oratory in the Baker Declamation contest. Don Pence won the right to represent the College in the State Peace Oratorical Contest. Berta McClintock represented the school in the State Women's Oratorical and, also, she and Phyllis Burgess were the orators for Southwestern in the Oklahoma-Kansas Oratorical League. Dibert Yeagley was our orator in the Kansas Men's Oratorical Association; Mr. Yeagley and Miss McClintock were the orators at the National Pi Kappa Delta contest.

PROFESSOR
BAKER
Coach

Dr. Baker is President of the Kansas Oratorical Association and also Executive Secretary of the Oklahoma-Kansas Oratorical League.

The Inter-High Forensic Contest held here each year with more than 2,000 high school students competing in these and musical events, are sponsored by this Department. In the fall an Inter-High Debate tournament in which more than fifty debate teams take part is under the direction of this Department.

PI KAPPA DELTA

JOHN PORTER
President

PI KAPPA DELTA is the largest national honorary forensic society with 125 chapters and more than 9,000 members. A representative of Southwestern College helped organize the society, and Southwestern was among the first colleges to have a chapter.

The Society has as its purpose to promote the interests of inter-collegiate oratory, debate, and public speaking, and encourages these activities by conferring honorary awards.

The Delta chapter at Southwestern sponsors home debates and oratorical contests. The annual banquet is an event of importance. Each year the chapter is represented in the regional or national convention by both orators and debaters, and in these contests they have made enviable records.

Each year the Student Council awards to those Senior members who have represented Southwestern in oratory or in debate two years with Pi Kappa Delta keys.

THE RANGERS CLUB

THE Rangers Club of Southwestern College was founded by Dean Leroy Allen in 1928 to furnish musicians and readers who would accompany his debate squads and present programs at high schools and churches in which intercollegiate debates were being held before neutral audiences. The idea was to enliven the affairs for those to whom the debates might prove uninteresting.

The organization was revived in 1929 to furnish "go-to-college" squads to visit high schools in Southwestern's constituent territory, present programs of music and readings and talk about the merits of Alma Mater. A group of four or five students, under the guidance and direction of one of the faculty members would, in a day, visit from three to four high schools, and render valuable services in arousing the interest of the students in a college education and in Southwestern as one of the best places in which to acquire it.

In 1930 the Rangers Club was made an honor organization, with membership limited to students and faculty members who had distinguished themselves in the presentation of music, readings and the interests of college education. Like other honor societies in Southwestern, the Rangers Club has a mission and a function, that of interesting high school students, and particularly the more gifted and promising ones, in higher education and in Southwestern College.
