Alma Mater

LD5111 S55 M6 Far above the Walnut Valley On a lofty height, Stands our noble Alma Mater Bathed in golden light.

Lift the chorus, speed it onward, Over hill and vale: Hail to thee, beloved Southwestern, Alma Mater hail.

Far above the stir and bustle
Of the busy town,
Reared against the arch of heaven
Looks she calmly down.

To the heights she calls us daily,
Alma Mater dear,
Heights of knowledge, hope and courage
Free from doubt and fear.

--FLORENCE M. CATE

RAYMOND E. DEWEY, D. D.

Dr. Raymond E. Dewey, acting president of Southwestern College from July 1953, to January 1, 1954, was not new to that position. During 1949 he served in the same capacity.

As superintendent of the Winfield District of the Central Kansas Conference of the Methodist Church, his duties as acting president coincided with the heaviest work of the conference year as District Superintendent. Dr. Dewey is a member of the Board of Trustees.

Having completed his term as acting president, Dr. Dewey was presented with a scroll from the faculty:

"In recognition of his diligent and gracious service to Southwestern College, we the faculty present this scroll of honor to Raymond E. Dewey, D. D., as a token of our gratitude and esteem."

Presidents

As new president of Southwestern College, Dr. C. Orville Strohl returned to serve his Alma Mater. He was graduated from Southwestern in 1931.

Dr. Strohl has worked with youth in at least three different situations. Besides serving three pastorates in lowa, he was an instructor at lowa Wesleyan University, guest lecturer at Drake University Graduate School, and prior to coming here was executive secretary of the Board of Education of the Iowa-Des Moines area of the Methodist Church.

"I am thrilled to be here, "said Dr. Strohl on his arrival here as president, January 1, 1954.

Administration

LEONARD LAWS, DEAN-REGISTRAR

The administration personnel of Southwestern College are made known to every student who enrolls there.

Contacted first by the admissions counselor, students then are launched into the enrolling process. Women students become acquainted with the dean of women while making arrangements for a room. All students, in securing a permit to register, learn of the director of student personnel.

The painful process of parting with one's money is helped by the business office, guided by the business manager. To become a full-fledged student of Southwestern College requires finally, authorization by the dean-registrar's office.

centive for creation and performance. On entering the Music Hall on the northwest corner of Southwestern's campus, students are confronted with sounds which baffle the ear, while those who enter the art department on the second floor of the Administration Building are confronted with that which baffles the eye.

The Fine Arts Division is designed to increase the appreciation of both art and music and to provide opportunities and in-

teners, more expressive writers and more effective speakers.

Exercise charts for voice and diction, style sheets for journalism, thick literature books for freshman English, file boxes and time cards for debate and scripts for radio are familiar sights to students enrolled in the courses in this division.

Speech, literature, drama, radio, forensics, foreign language and library science help students become thoroughly acquainted with the languages and literatures of the world.

The speech department sponsors a chapter of Pi Kappa Delta, national honorary forensic fraternity.

Natural Science

To learn the nature of the organic and inorganic world and to use this knowledge for the betterment of mankind are the objectives of this division.

Smells of formaldehyde and what amateurs call the smell of the rotten egg, blended with the sweet aroma of hot muffins, chocolate cake and meats make Mossman Hall of Science one of the most diversified buildings on Southwestern's campus.

Bunsen burners, beakers, test tubes, Napoleon Bonaparte and Bessie, the models used in health education and anatomy, fish, bullfrogs, onions, beets, sewing machines, looms and kitchen equipmentalso play a part in making Mossman a fascinating building to all who enter its doors.

Mossman is headquarters for the biological and physical sciences, mathematics and home economics.

The home economics department sponsors a chapter of Kappa Omicron Phi, the national home economics fraternity.

Social Science

The main objective of the Social Science Division is to teach Southwestern College students the importance of relationships, attitudes and actions with others.

Courses in history, psychology, sociology, religion, philosophy and education offer students help in preparing for teaching, church-related vocations and other jobs which are specifically working with people.

The social science division is especially proud of Southwestern's Alpha chapter of Pi Gamma Mu, the honorary social science fraternity.

"Housemothers

Each of the housemothers has her own specialty in helping the girls. Mother Rosecrans at Smith announces engagements of the girls at special engagement parties; Mother Casburn is famous for her knitting; and Mother Evans is usually busy trying to keep the furnace on when it should be on and off when it should be off.

Duties of a housemother range from keeping the girls out of mischief and chaperoning the living rooms to being a "motheraway-from-home."

Eva Rosecrans, Smith Hall; Mabel Casburn, East Hall; Mabel Evans, Holland Hall.

"Kitchen Help"

So that college students may be able to carry a full schedule of school work, the Smith Hall dining room cooks are busy many hours daily preparing food.

Especially famous are their hot rolls and delicious lemon and cherry pies.

Band

First semester the college band directed by Mr. Robert C. Van Nuys, performed at all half-time periods of the football games and made its once-a-year football trip to Alva, Oklahoma to play at the Northwestern Oklahoma State-Southwestern game.

Second semester was taken up with preparation for the band tour February 22-26. The band also gave a spring concert at the end of school.

The band featured five soloists, and spent much time through the year recording.

Orchestra

The orchestra gave its annual concert in December in the Administration building auditorium. The three movements of the Frank D Minor Symphony highlighted the concert. In the spring, all advanced conducting students were given a chance to conduct the orchestra in a public performance. The Southwestern orchestra this year was a part of the instrumental organization featured in the presentation of Mendelssohn's oratoria "Elijah" which is given each year as a Winfield civic event.

GRACE CHURCH CHOIR

The Grace Methodist Church Choir was another of the many ways through which students of Southwestern channeled their musical talents. The choir was composed of college students and other members of Grace Church.

Choir director was Robert Van Nuys, instructor on Southwestern's campus, and Miss Grace Sellers, instructor in piano, was organist. REV. GLENN W. MATTHEW

Rev. Glenn W. Matthew as pastor of Grace Methodist Church had many Southwestern College students in his congregation. He was a counselor for the Methodist Student Movement and for a prayer cell made up of college students.

MISS LOUISE DUTCHER

Miss Louise Dutcher, director of Christian education at Grace Methodist Church, was a counselor of the Methodist Student Movement. Most of her work at the church was in directing the student activities at Grace Church.

Builders crack it during scrimmage

Although losing the Homecoming game 27–13 to Washburn, the Builders that day played outstanding football and they were the only team in 1953–54 to score more than one touchdown against the Topeka squad.

Southwestern played its best game of the year when they outdowned, outgained and outplayed the Pittsburg team, only to come out on the disheartening short end of a 12-6 score.

Jack Cotton presented the trophy which Southwestern won at the McPherson Tournament to President Strohl.

With top-scorers Ray Potter, William Bloxom and James Stotts, the purple basketball team opened in 32 games this season—winning 18 and dropping 14. They averaged a neat 5-5 Central Intercollegiate Conference record for the year, and tied for a final third place in the CIC with the crew at Pittsburg State.

At the end of the season Ray Potter stood at the top of the list for CIC scoring—with a neat 18 point average. For the 1953–54 season, he was selected as one of the five on the All-CIC squad, and James Stotts held a similar honor on the All-CIC second team.

Track

Coach William Carroll's Southwestern track squad this year saw the efforts of five returning lettermen bolstered by eight newcomers. The thinclad crew took part in only four competitions this year. First meet was the Oklahoma A & M Relays in Stillwater, followed by the K.U. Relays at Lawrence; a dual with Wichita University at Wichita; a triangular with the University of Arkansas and Tulsa University at Tulsa; and the Central Conference meet at Emporia.

King Spice Candidates

The king, who is elected and crowned each spring by the girls in Gamma Omicron, was chosen from among these candidates. Gamma Omicron, the home economics organization on the campus, chose these boys on the basis of popularity, good looks and the fine possibilities which each boy has of becoming a good husband.

In the above picture the boys prove to the Gamma girls that they can cook too.

In the picture below the boys are relaxing after a strenuous day in classes.

In the above picture, the candidates are Darrell Falen, Larry Standiford, Dale Clare, Donald Doughty, and James Rethorst.
