The Moundbuilder

Southwestern College

Winfield, Kansas

Dedication

To Mr. Allan C. Felt

Mr. Allan C. Felt was first elected to the Board of Trustees of Southwestern College in 1916. He has been a member ever since. He has served on the various committees of the board and, for the last ten years, has been its President. Southwestern College was organized 71 years ago. Mr. Felt has served for more than half the age of the institution.

To serve this church-related college for 40 years is a remarkable achievement for which we are very grateful. Thus we dedicate this MOUND BUILDER to Mr. Felt, that all men may know how the students, faculty, and trustees feel about him.

We are proud to have a man like Allan Felt as President of the Board of Trustees. We have learned to admire him greatly.

With this dedication goes our heartfelt appreciation. We pray that he may yet be spared for long years of usefulness.

Students

We are the wayfarers out of the old world into the new.
The old world is the world of our childhood, of our limited
information, of characters as yet being formed. The new
world is the world of informed appreciation, of techno-
logical triumphs, of inner lives made strong against doubt,
dismay and confusion.

"Leaving the old, both worlds at once they view

"That stand upon the threshold of the new."

After the regular meeting of the board of trustees, the students, faculty and staff were called into a special assembly.

President Strohl announced to them that R. B. Christy, Scott City, Kan., had given Southwestern \$500,000 in endowment.

Vice-President J. Lester Hankins announced a second gift of \$100,000, this one anonymous and a third of \$30,000 also anonymous.

Thus, in one day, Southwestern added \$630,000 of new funds.

Mr. Christy attended Southwestern for three years early in the century. The students made him an honorary member of the class of 1956.
