# FOREWORD

The Greek root of the word school is *schole* which means leisure. "Leisure?" you say, "well, that's hardly what school means to me." And for most of us, involved in many college activities, college and leisure will never seem synonymous. But—college, after all, does represent time, given or earned, for the purpose of study.

Yet, "I'd love to, but I simply don't have the time," becomes our cry to faculty and fellow students. Since it hardly seems likely that the penalty for going to college is that of having a day composed of fewer hours than any other person, there must be a way to account for the hours that we don't seem to have.

Each of us finds time for many things—

time to study  
and time to play  
time for sports  
and time to rest  
time to cry  
and time to laugh

Much of the time we spend here will probably be lost in a pleasant haze. Memories fade and blend into patterns repeated again and again. The all-night session before the final was only one of many. The term paper finished just an hour before the deadline always brought the same vow to start earlier next time. The endless procession of chapels and assemblies fused into one.

For each of us, though, there were tiny, unforgettable moments in time...

The time you got up at 4:30 to see a comet and didn't

Your first "Building of the Mound" ceremony and your last

A bit of a poem your roommate read at just the right moment

The winning touchdown you made just before the final gun

The golden glow that filled the world the first time he said he loved you

The laughter you shared washing a puppy in the bathtub in the dorm...

One yearbook cannot capture for each of us all the moments that are our personal memories, but the Moundbuilder is dedicated to capturing some of the moments we have shared at Southwestern this year. We hope that you will find here some of the moments in time that made this year at Southwestern special for you.

## Dean C. Robert Haywood

"All you can ever hope to obtain from college is the ability to look around you intelligently, the ability to move your head away from the shadows and to think clearly upon what is truly there. The one blessing college can give you is to liberate your mind from its cave so that the world becomes a solid substance."

"In a real sense your choice is the choice man has always had—thought or emotion—education or shadows—college or cave."

This quote from Dr. Haywood's matriculation convocation address exemplifies his attitude toward liberal arts education as a process of liberation. Since coming to Southwestern in 1948, Dr. Haywood has gained the admiration and respect of his colleagues and students as well. After completing his doctorate, Dr. Haywood returned to Southwestern in 1959 as academic dean.

Dr. Haywood enjoys his teaching but dislikes grading papers. An avid ping pong player, he finds his time for the sport too limited. Dr. Haywood has been in charge of the Washington Semester program since its start.

**President Strohl** directs the attention of Dean Haywood to the avenue of flags.

**For the students of Southwestern, the dean is the symbol of the academic world.**

# ADMINISTRATION AND FACULTY

## President and trustees benefit school

No growing institution can function without someone at the helm who can sell its ideas and ideals to the outside world. Southwestern College has such a man in Dr. C. Orville Strohl.

Dr. Strohl has been with Southwestern since 1954, and during that time has given distinguished service both on and off campus, serving as president of the Kansas Foundation of Private Colleges. Dr. and Mrs. Strohl also have the essential duty of public relations on a personal basis. The Strohls have given many hours to greeting and entertaining friends of the college.

Dr. Strohl has stated that his most important task is to help establish an academic community in which each student should be able to "find away into the intellectual, moral and spiritual maturity which is his rightful heritage."

Toward this goal Dr. Strohl has realized this year a longtime dream with the completion of the new Darbeth Fine Arts Center.

Another vital facet of the college is its board of trustees. These distinguished men and women give both time and money for the better function of the college. We see many of their names on campus buildings which they helped to erect. Particularly to be honored this year are Darwin and Beth Wells in the naming of the new Darbeth Fine Arts Center.

**Dr. Douglas Moore** admires Dr. Strohl's paintings.

**President Strohl, Mr. Broadhurst and Mr. Wallingford** enjoy coffee together following a board of trustees luncheon in October.

**The seal** of Southwestern College occupies a place of honor in the home of President and Mrs. Strohl.

## A better college— administration goal

The administration is the backbone of any college. Through its planning and hard work, which often goes unseen, the future of the college is programmed.

The vision of a greater Southwestern is uppermost in the minds of the Southwestern administration. Through dozens of committees, plans are constantly being formulated to make Southwestern one of the nation's finest Christian liberal arts colleges.

## Darbeth is pride of fine arts division

The new Darbeth Fine Arts Center, named for Darwin and Beth Wells of Hunter, Okla., was dedicated at homecoming, Nov. 5-6. The \$600,000 structure is located north of Christy Administration Building.

Dr. Warren Wooldridge, head of the division, and other fine arts faculty members, provide instruction for students in the areas of piano,

organ, art, violin, instrumental and vocal music. The area of public school music is headed by Dr. F. Joe Sims.

Graduates of Southwestern's fine arts division have made distinction in many areas throughout the United States. The new facilities promise to enhance the area of fine arts at Southwestern College.

# Dr. Wroten heads language and literature

Southwestern's language and literature division plays a major role on the campus, for the ability to express one's self well is an asset in all phases of life. Our excellent program in this division stands as an open doorway to a fuller life for all Builders.

Instruction in English and literature is headed by Dr. Helen Wroten; ably assisted by Jimmie Sole, Mrs. Gleva Hanson, Judith Charlton, Mrs. James Downs, Mrs. Elizabeth Vincent, and Clare Kiskaddon. Our foreign languages, Spanish and French, are taught by Mrs. Willie Mae Ballard and Mrs. Marguerite Hessini, respectively. Vernon McDaniel teaches journalism.

Under new instruction this year, the departments of forensics and dramatics again turned in an impressive record. Kicking off the year with "Teahouse of the August Moon," directed by Norman Callison, the dramatics department drew many excellent reviews. The debate squad under Donald Enholm and the interpretation squad of Mrs. Gleva Hanson both turned in a good year.

# Many areas of natural science are offered

The scientific 60's demand well-trained personnel in the constant quest for knowledge. The division of natural science offers students a chance for very broad or very specific study in the fields of biology, chemistry, mathematics, physics, home economics, and the industrial arts. Fine instruction and well-equipped laboratories provide a valuable learning opportunity

for the student.

Dr. Leonard S. Laws heads the division. Robert Scobee and Clifford Houser (first semester) joined the faculty this fall. Bill Ridgeway returned for the spring semester following a leave of absence. ## Social Science offers varied curriculums

The division of social science at Southwestern ever strives to bring to the student a well-rounded picture of the world around him. Extending beyond the limiting walls of the classroom, students and faculty have been active in such programs as the humanities course, the Smith-Willson lectures, and extra-curricular seminars on subjects of special concern. A number of exchange programs are offered to interested students in line with these efforts.

Joining the social science faculty this year were Paul Frary, Lucille Johnson, Ellery Young, and Dr. Leslie Templin (first semester).

# Phi Beta Tau's stress social and religious life

Phi Beta Tau, newest of the women's social clubs, strives for a better social and religious life on campus through a number of social and service activities.

The major social activity of the Phi Tau's was concerned with rush. The theme of this year's rush party was "A Swiss Chalet." Other rush activities included initiation and a pledge dance. The Phi Tau's also sponsored an after game dance and held a field trip to Kansas City in March. They also built a float for the homecoming parade, held an informal party, and sponsored an alumni tea during homecoming.

Two major service activities for the Phi Beta Tau's were Christmas card baskets for the Good Samaritan Home and the collection of crayolas and other materials which were sent to Bolivia. Officers are Janice Stephenson, president; Jeanne Moore, vice-president; Lynn Barlow, secretary; Janice Moore, treasurer; Barbara Cottle, historian-chaplain; Kathy Wilkey, parliamentarian; Ruth Jones and Jeanne Sheppard, program chairmen; and Virginia Parsons, religious life representative.

A Swiss chalet would not be complete without a gay accordion player. Phi Beta Ruth Jones watches over the music as Nancy Haines entertains at the rush party.

Little Swiss boy, Ruth Jones, attempts to get some pictures as little Swiss girl, Sharon Ring, is about to enter the chalet.

Vernon McDaniel, Norman Callison and Will Walker added color to the pledge dance as they served as doormen and butlers.

Fall activities for Kappa Rho began with a hamburger fry. At the all-school carnival the club's booth was a "guess the number of beans in the jar" contest. The prize for the nearest guess was a large stuffed dog. Recreational activities for the club included playing pool and bowling. The group took dates to Wichita for dinner and a movie. It finished its year with a spring steak fry.

Kappa Rho officers were Ranny Tomson, president; Bill Irons, vice president; Carl Fieser, secretary-treasurer; Will Walker, sponsor.

## Freshmen learn traditions

Southwestern freshmen soon learn about traditions of the college, but for some of them this is too soon. The arrival of freshmen is the reason that upper classmen arrive on campus several days before serious studies begin. For the new students, there are several days of orientation, tests, and initiation. This year Larry Jantz was their "president." All freshmen receive beanies which they must wear, even though their class almost outnumbers all of the rest of the classes combined. They had to kiss the Jinx, "wash" the tennis courts, and build the bonfire for the first home football game. There was also the Building of the Mound, for the entire student body.

Sophomores supervise washing of the tennis courts.

Dr. Strohl and freshman Kathy ReQua add their stones to the Mound.

An outdoor orientation discussion is held at the Mound.

Bill Dyar and other freshmen help build the freshman bonfire to a record height of 45 feet 8 inches.

# lecturers provoke thought

## Smith-Willson

Dr. Ernest Colwell was speaker for the Smith-Willson lectures this year. The theme of the lectures was "A Search for the Basic Concepts of the Christian Liberal Arts in Higher Education." One of the topics discussed was the role of religion in a college and as an academic subject. The lectures also added to the discussion of education in the humanities program. Also on campus were Dr. Myron F. Wicke, Dr. Manning M. Pattillo, and Dr. W. McFerrin Stowe. In addition to the morning lectures, there were lectures to smaller groups, luncheons, and evening firesides.

Dr. Ernest Colwell

The 1966 Parkhurst lectures on the Bible were delivered by Dr. Edwin Prince Booth. Dr. Booth is a biographer, theologian, and educator; he also lectures extensively on religion and science. His lectures at SC, "Authority of the Scriptures," and other earth shaking topics, seemingly stirred the students into thinking of their own beliefs and establishing strong foundations for future Builders.

In just five days, lecturing two or three times a day, Dr. Booth aroused a lifetime of wonder by making the statement that the miracles of the Bible could be explained. Miracles such as Christ's resurrection was introduced as a figment of man's imagination; the crossing of the Red Sea through "parted waters" was represented as a natural occurrence; and the "burning bush" of Moses was composed entirely in his mind. These were but a few of the ideas presented by Dr. Booth, the 1966 Parkhurst lecturer.

Seniors selected for Who's Who honors stand beside "The Landmark," symbol of endurance.

The experience gained in a person's college years has an enduring effect on his future. This year Susan Broadie, education and history major from Ashland, Bill Irons, pre-medical chemistry major from Minneola; Sue Lewis, English major from Wichita; Leora Martin, music education major from Ulysses; James McQuown, social science major from Punxsutawney, Pa.; Jeanne Moore, social science major from Grand Junc-

tion, Colo.; William Olmstead, English and social science major from Junction City; Don Reed, history major from Mulvane; Kenneth Roth, drama and religion major from Ponca City, Okla.; and Dick Swindler, math major from Pratt were chosen for inclusion in "Who's Who Among Students in American Universities and Colleges."

## A time for new experiences

Southwestern participates in an exchange program with Philander Smith College in Little Rock, Ark., and Spelman College in Atlanta, Ga. This year Shirley Moore, a sophomore from Camden, Ark., attending Philander Smith; Stephanie Bush, sophomore from Atlanta, Ga., and LaVerna King, sophomore from Oklahoma City, attending Spelman, spent their second semester here. They felt that a semester at Southwestern would be eventful and beneficial to them. Shirley is majoring in sociology and minoring in music. Stephanie is a social science major and LaVerna is majoring in economics and minoring in mathematics.

**Shirley** takes advantage of a break to patronize the snack bar.

**LaVerna and Stephanie** are exchange students from Spelman College.

**Lynn Barlow** attended the UN Semester second semester.

**Barbara Cottle** also attended the UN Semester.

## Exchange opportunities broaden Southwestern students' horizon

There are many opportunities for broadening a person's education offered to students at Southwestern. One of these is attending a semester either in Washington or New York, if one has the time and a desire for this type of opportunity. This year Sue Lewis, senior from Wichita, attended the United Nations Semester. Sandy Wade, junior from Mayfield, and Sue Platt, junior from Winfield, attended the Washington Semester. Students attending the United Nations Semester attend classes at Drew University, seminars and have many opportunities to learn more about the United Nations. Students attending the Washington Semester attend American University and study American government in many different ways. These programs provide opportunities to meet and exchange ideas with many students from various areas of the nation and leaders of the American government and the United Nations. Lynn Barlow and Barbara Cottle attended the UN semester second semester.

**Sue Lewis** attended UN Semester.

**Sandy Wade** and Sue Platt attended the Washington Semester.

## Fine Arts center presented at homecoming

Darbeth Fine Arts Center was formally presented to the college in an assembly November 5. As a part of the ceremonies, Mr. and Mrs. Darwin E. Wells were presented honorary doctorates by Dr. Strohl and Dr. Wooldridge. Mr. and Mrs. Wells presented the college with the naming gift. A voice recital was given by Dr. Orcenith Smith, former chairman of the division of fine arts, in the new Messenger Recital Hall. The center was formally consecrated on November 6 by Dr. W. McFerrin Stowe, bishop of the Kansas area of the Methodist church.

# Campus Players present "Teahouse of the August Moon," by John Patrick, to homecoming audience

The Campus Players' production of **Teahouse of the August Moon** was enjoyed by capacity crowds. During this play about American soldiers in the Orient, a complete teahouse was built and torn down. Mike and Vicki Case had the lead roles. Special problems encountered by the staff members were finding an Army jeep, getting costumes, and finding a goat. There was almost panic when the goat disappeared the night before the performance and Norman Callison, director, ended up sleeping with it. Members of the cast were: Allen Bradford, Bonnie Bergdall, Gary Bricker, Dianna Callison, Mike Case, Vicki Case, Roxy Clark, Kevin Cox, John Esche, Doug Gordon, Kathy Gordon, Maurine Gordon, Charles Grimwood, Dennis Hendershot, Marti Howe, Kathleen Keller, Julia Lauver, Jim Lewis, John Marshall, Donna McClaren, Ernestine McClimans, Cheri Moberly, Arthur Morgan, Perry Potter, Bill Walker, Nelson Warren, Atha Webster, Bob Wilson, and Sharon Yeager. The staff included: Vicki Case, Jo Froman, Allen Menne, Betty Pearce, Sharon Ring, Gloria Roth, Kenneth Roth, Bill Taylor, and Ann Wooddell.

## Joan Anderson crowned homecoming queen

Joan Anderson, senior physical education major from Hutchinson, was chosen as 1965 homecoming queen. She was crowned by Arlyn Hackett, president of the student body, at half-time of the Builder-Sterling game. # Homecoming day filled with activity

There were many activities scheduled for the 1965 Southwestern homecoming. First there was the dedication of the new Darbeth Fine Arts Center. Campus Players produced **Teahouse of the August Moon**. Then Joan Anderson was crowned 1965 homecoming queen at halftime of the football game which the Builders won 48-14. The homecoming dance Saturday night featured two bands. Campus organizations built floats and dorms were decorated around the theme of "Sights and Sounds of the Sixties."

"Honey" and work helped Holland Hall place third.

"By Gemini," the Sophomore float won first place.

## Winter time at SC is beautiful

Winter at SC can be a beautiful, slippery, snowy time of the year. Sledding down the hills is a favorite pastime when there is snow. The dorms are decorated at Christmas time. This year two Christmas plays were presented; **Santa Claus** and **Eagerheart**. Campus-Y also sponsored a Christmas party for welfare children.

**Smith Hall** had a Christmas party to decorate the dorm.

**Santa** examines the Campus-Y tree.

# Faculty lectureship is inaugurated

For the first time this year, there was a series of faculty lectures. These lectures were associated with the humanities program. The theme of the series was "American Culture in the Brave New World, The Impact of Science on Human Values—or—From Bottle Bibles to Existentialism." The lecturers and their topics were Bill Ridgeway, biology, "Man, Molecules, and Morals: or Biology the Ultimate Science;" Maurice

Gordon, theology, "I Believe in Yesterday: The Traditional Religious Attitude Toward Science;" Dr. D. Moore, psychology, "A Psychological Inquiry into the Nature of Human Values or Mighty Mouse in a Skinner Box;" and Mrs. Carsie Ballard, language, "Man's Challenge from Science; To Succeed as Man Repairs on Our Communications System."

## A moment in 'the world of Carl Sandburg'

The winter play, "The World of Carl Sandburg," was presented March 2, 4, and 5. It was the first play in the new Darbeth Fine Arts Center. It was written in a style called Interpreters Theatre. This was the first time a play had been presented in this style which best fits Sandburg's style of "slice of life." Parts of the play were presented in dramatic dialogue and as folksongs. Also for the first time, professional talent was used as Stu Mossman, folksinger, was a member of the cast. Other members of the cast were: Chuck Jones, Toledo, Ohio; Roger Fenton, Colorado Springs, Colo.; Georgeann Wilson, Pratt; Jo Froman, Turon; Roxie Clark, Mayfield; John Marshall, Anthony; and Julia Lauver, Tulsa, Okla.

Georgeann and Chuck present a "slice of life" sketch.

# Founders Day features Orange Festival to establish Prof John chair of mathematics

## Dr. Kloepper speaker

Founders Day was March 7. Dr. H. Warner Kloepper, associate professor of anatomy and specialist in human genetics at Tulane University, was the speaker at the convocation. His topic was "Genetics in the Service of Man." He said that as more is learned about the mechanics of heredity, the possibility of controlling heredity is more of a reality. This control of heredity could be used to improve the human race or it could be misused.

The finalists for Miss Southwestern were introduced at the convocation. Lavoyce Leggett, Florida citrus queen; Mimi Frink, Miss Kansas, and Candy Batt, Miss Winfield, were also introduced.

Dr. Strohl presented plaques for recognition of service to M. K. Snyder, Registrar; Dr. C. R. Haywood, academic dean, and Mrs. Viola Schwantes, comptroller.

The Board of Trustees held a meeting after the convocation.

This year an orange Festival was held in connection with Founders Day. Crates of oranges were auctioned at a banquet in the evening. The proceeds were for the benefit of the Prof. John Phillips chair of mathematics.

**The Jimmy Dorsey Orchestra**, led by Lee Castle, gave a concert and played for the dance.

## Orange time was a busy time . . .

The Orange Festival was a busy time for many students on the campus of SC. The idea originated when some alumni from Florida gave the college about a thousand crates of oranges to be sold to benefit the college. The proceeds were for the "Prof John" chair of mathematics. In addition to the auction of the oranges, there was a faculty auction, concert and dance featuring the Jimmy Dorsey orchestra, and the coronation of Miss SC. Many students worked long hours planning the events and decorating the gym for the dance.

**Kenny Roth** was in charge of lighting for the Orange Festival.

**Many students, faculty, and alumni** enjoyed the dance.

**Long hours** of work were required to prepare decorations for the dance.

# Spring arrives early at Southwestern

Although it wasn't officially spring, students of SC early developed a good case of spring fever. "The Landmark" was used several times as a convenient showcase for displaying artistic efforts of "Spectre," a mysterious group of students. Other students enjoyed just being outside in the spring-like weather, walking and working.

The flags were flown on Founders Day and a couple enjoying the spring weather paused to look at them.

"The Landmark" was accompanied on the hill by an orange for the festival.

An effigy was hung on "The Landmark" one morning.

Shriwise men built a sidewalk to the apartments.

# Football Coaches

The Moundbuilders were lead to their first co-championship since joining the Kansas Conference when Harold Elliott was chosen as head football coach, last year.

Southwestern's 1964 football season was Mr. Elliott's first attempt at college coaching. He was chosen as the NAIA's district 10 Coach of the Year, after his football, cross country, and track teams were awarded the KCAC championships.

Besides his coaching duties, Mr. Elliott is active in the Fellowship of Christian Athletes, and is an instructor in physical education.

The Builder's line coach is Robert Hower. He has been at Southwestern since 1954, and is its athletic director.

Mr. Hower is head basketball and golf coach, and is an instructor in physical education.

For 11 years, Lester McPeck has been fieldhouse manager. Mac, the man behind the scene, has been instrumental in keeping the affairs of the fieldhouse functioning smoothly.

Student coaching is new at Southwestern. This year, we were fortunate in having two fine students, Steve Kaufman and Vernon Goertz, assisting Mr. Elliott. Steve Kaufman's duties were in aiding Coach Elliott with the backfield chores. Steve was an elementary education major, minoring in physical education. He has also lettered on SC's conference championship track team.

Our student line coach was Vernon Goertz. He was a four-year letterman in football and is majoring in elementary education and minoring in physical education.

## Jim McQuown—Two Times All-Conference

Once in a great while, a school turns out a truly superb athlete. SC's Jim McQuown is such an athlete. He is a two time All-KCAC champ; last year he received honorable mention Little All-American; and this year, Jim was a strong candidate for first team honors. He twice has been named to the District 10 NAIA team.

Jim's scholastic and campus leadership entitled him to a berth in Who's Who Among Students in American Colleges and Universities. Jim is a social science major from Punxsutawney, Pa. The 1965 Builder football team presented Jim with a football. On it was inscribed, "To the Greatest."

## Three Builders Chosen All-KCAC

The Southwestern Moundbuilders placed three men on the ALL-KCAC football team for the 1965 season. One of these, Jim McQuown, received the vote of all the KCAC coaches.

Selected for the first team defense were Jim

McQuown, senior linebacker, Punxsutawney, Pa.; and Roger Thoma, sophomore guard, Derby.

Selected for the first team offense was Terril McBride, junior halfback, Lewis.

## SC Ties For Fourth Place in KCAC

The Builders wound up their football season with a 5-3-1 conference record, and were unable to hold onto their co-championship.

The Builders played one pre-season game with the alumni, which proved to be one of their toughest games. The varsity managed to win 7-6.

Probably the most amusing game was SC's opener with Kansas Wesleyan. It was played in a sea of mud with the Builders coming out on top, 6-0.

In the games that followed, the Builders defeated Friends, 12-7; and McPherson, 31-13. The next three games were big disappointments, as the Builders lost all three: Bethany, 14-13; Baker, 20-19; and Ottawa, 27-7.

The Builders next two games were more rewarding, as they soundly trounced Bethel, 45-7; and at SC's homecoming, rolled over Sterling,

48-14. In the final game of the season, Southwestern and College of Emporia fought to a 20-20 tie.

The Builders had three men on the all-KCAC team. One, Jim McQuown, received the vote of all the coaches. The men selected to the defensive team were Roger Thoma, sophomore guard; and Jim McQuown, senior linebacker. Terril McBride, junior halfback, was chosen for the offensive team.

McQuown was named as defensive linebacker on the NAIA district 10's first team.

The Builders are losing seven senior players who were consistently mentioned on the starting line-up. The men are Jim McQuown, Dick Strano, Allan Barr, Bill Cox, Gary Travis, Dick Swindler, and Don Reed.

## SC 7—Alumni 6

The Varsity-Alumni football game, the first in the history of Southwestern, proved to be a disappointing test for last year's KCAC co-champs.

The Builders were unable to penetrate the Alumni's massive interior line bolstered by Larry Jordan and Mike Robinson, and took to the air for their only score. The touchdown came early in the second half when Jim LaPoint fired a 34 yard pass to LeRoy Blackwell. Bill Cox added the winning PAT.

The Alumni's score came after Charles Kielhorn pounced on a varsity fumble. Their try for the point after touchdown failed.

## SC 6—Kansas Wesleyan 0

Southwestern's conference opener against Kansas Wesleyan was played in a sea of mud. Wallowing in slime six inches deep at midfield, with uniforms completely obliterated, players from both teams simply were not able to maintain footing firm enough for anything except straight ahead dives and slants.

In a game of this type, all the Builders could hope for was a lucky break. Fortunately, the break came. With 8:58 remaining to be played, SC recovered a fumble on the one-yard line. Gail Jones took the ball over the goal for the score.

**Clean suited** Gail Jones goes in for the only score in the sloppy, muddy game with Kansas Wesleyan.

## SC 12—Friends 7

The Builders had to overcome fumbles, incomplete passes, and penalties before they were able to defeat Friends University, 12-7.

The Builders fumbled the ball away on both of the team's first two offensive series, dropped three touchdown passes, and were penalized 150 yards on their way to their second straight KCAC win.

After going practically nowhere throughout the first half, the Builder offense began to jell after the start of the third quarter. Don Reed and Denny Cavalier were instrumental in SC's first score. Reed carried for 14 yards on one play, then he hit Cavalier with a 20-yard pass which brought the ball down to the five yard line. Cavalier carried the ball over two plays later.

On SC's second touchdown, LeRoy Blackwell electrified the crowd when he took a handoff from Reed, and ran 68 yards for the TD.

**Halfback Billy** Bob Carr gains valuable yardage against Bethel.

**Mud-soaked** Jim McQuown confers with Builder coach, Bud Elliott, during game at Kansas Wesleyan.

## SC 31—McPherson 13

Southwestern, after two low scoring games, finally racked up a large tally when it defeated the McPherson Bulldogs, 31-13, for its third straight conference victory.

Mike Simmons, starting his first game at full-back, and Terril McBride, All-KCAC halfback, ran for two touchdowns apiece, while Butch Standiford scored the fifth on a 9-yard pass from Don Reed. Bill Cox, who usually has little trouble kicking points after touchdowns, was only able to turn one attempt into a conversion.

McPherson scored in the first quarter on a 22-yard pass play and again in the third period with a one-yard plunge.

Mike Farrell opens up a huge hole for fullback Mike Simmons during the game with Baker.

## SC 13—Bethany 14

The mighty Builders fell. Southwestern lost its first game of the 1965 season at the hands of the Bethany Swedes by the score of 14-13.

Even though the Builders lost, the game was fiercely fought and the electrifying running of Dennis Cavalier and Terril McBride made the game bearable.

Bethany took an early lead in the game when the Swedes' Jan Oleen scored on a 36-yard pass. The Builders came back to score when all-conference halfback Terril McBride went 15 yards for the TD after quarterback Don Reed had faked out the entire Bethany team with a reverse. The score was then 7-6, Bethany. The Swedes scored again in the third period with a 35-yard pass play. The Swedes then lead 14-6. A few minutes later, Denny Cavalier returned a Bethany punt 95 yards on a brilliant runback.

## SC 19—Baker 20

The Southwestern Moundbuilders suffered their second frustrating 1-point loss in a row when the Baker Wildcats sneaked past the Builders by the score of 20-19.

Two blocked punts proved to be the downfall of the Builders in this crucial KCAC contest.

The Builders trailed 14-0 at the half, but waged a spirited comeback at the start of the third quarter; it still was not enough to overcome the damage of the blocked punts which set up two Baker touchdowns.

Mike Simmons accounted for two of SC's touchdowns, bulling over both times from the one yard line. Dave Hamilton intercepted a Baker pass which set-up the second Builder TD.

The Moundbuilders' third touchdown came when Don Reed scored on a one-yard sneak. Again, the inability to kick the PAT hurt the Builders.

## SC 7—Ottawa 27

The game Southwestern wanted most ended in a 27-7 defeat. This game was with co-champion, Ottawa.

The Moundbuilders, who took the opening kickoff and marched 74 yards to paydirt, completely dominated play in the first half with a superb pass defense and a hard, fierce defensive unit. Most of the running was done by all-conference halfback Terril McBride and fullback Bill Cox. Cox ran for 38 yards, while McBride totaled 106.

Defensively, All-American candidate Jim McQuown played his heart out. Jim made 10 unassisted tackles, and was in on three-fourths of all the others. He also intercepted two Ottawa passes, and blocked an extra point attempt.

Ottawa's quarterback, Ed Buzzell, tied the NAIA's record for career touchdown passes with 64, and scored on a five yard run in the fourth quarter.

## SC 45—Bethel 7

The Builders broke a three game losing streak when they played host to the Bethel Threshers.

The Builders crossed the goal line seven times and racked up 440 yards of total offense. Tom Pettey scored first on a 25-yard pass from Don Reed.

LeRoy Blackwell scored next on a 57-yard pass from Reed. Terril McBride ran for two touchdowns; one, a 9-yard and one a 60-yard run. Willie Williams ran up the score to 33, with a 16-yard pass from Allan Barr. Dick Swindler made the score 39, when he took a 24-yard pass from Kent White. The last touchdown was made by Jim McBride on a 9-yard run.

Linebacker Jim McQuown and guard Roger Thoma led the Southwestern defensive unit. McQuown made 7 unassisted tackles and aided in 11 others. Thoma made 7 stops and assisted in 9 others. Denny Cavalier gained 91-yards on 3 punt returns.

**Dennis Cavalier**, the KCAC's leading punt returner, goes for a long punt runback.

**Gene Kissman** springs towards the end zone with a Bethel Thresher in hot pursuit.

## SC 48—Sterling 14

The Builders had a field day at the expense of the Sterling Warriors as they piled up their highest score of the season.

Before a homecoming crowd of 2,500, Southwestern, scoring almost at will, out-distanced the Warriors 48-14.

The passing of Don Reed and the running of Terril McBride were the main reasons for the Moundbuilders easy win.

McBride had runs of 11 and 15 yards for two touchdowns; LeRoy Blackwell scored on an 18-yard pass from Reed; Tom Pettey scored on a 10-yard pass from Blackwell; Bob Gilbert on a 25-yard interception; and Billy Bob Carr on an 18-yard run. Bill Cox converted for five PAT's.

## SC 20—C Of E 20

After spotting the College of Emporia Presbies a pair of touchdowns, the Moundbuilders fought back with a pair of their own to earn themselves a 20-20 tie and also a tie for fourth place in the KCAC.

C of E and Southwestern finished with similar records, even losing to the same teams.

Bill Cox, LeRoy Blackwell, and Mike Simmons scored Southwestern's TD's. Cox kicked two PAT's.

**Butch Standiford** let a pass get away from him in the Bethel route.

**Tom Petty** snags a pass from Don Reed during the Sterling game.

**Halfback Terril McBride** shows his all-conference form as he gains good yardage against McPherson.

## Cross country team wins 2nd straight title

For the second straight year, the Builder cross country team captured the Kansas Conference championship. The squad, coached by Harold E. Elliott, was undefeated in dual meets and lost in only one triangular. The team was greatly bolstered by freshman talent—Steve Seyb, Charles Kissman, Denny McCammond, and Jim Pierce.

The Dial twins, Keith and Craig, continued to be consistent winners for Southwestern, while the old timers, Jack Cauble and George Underwood, also continued to rake in the wins.

In the conference meet, Jack Cauble, George Underwood, Craig and Keith Dial, Steve Seyb, Charles Kissman, and Denny McCammond all placed.

Bob Balerio, a junior star, was forced to leave the team because of injuries.

Because of serious knee trouble, another star performer, Mark Pittman, had to be content with coaching.

Assisting Coach Hower were student coaches Sam Beam and Roy Clayton. Sam served Hower during the first semester and majored in history and political science. Roy Clayton took over the assistantship after Beam graduated. Roy is a physical education major.

## Southwestern finishes seventh in K.C.A.C.

Southwestern's basketball season ended with disappointment, when it finished seventh in the KCAC.

Bob Jackson captured fifth place in the conference's scoring bracket by averaging 19.4 points per game. In rebounds Loren Evans averaged 8.2 per game. Southwestern's Marvin Estes led the conference with a field goal percentage of .543, and Bob Jackson was tenth with .473. Jackson placed fourth in total free throws with .841, and Marv Estes placed ninth with

.802.

In total offense Southwestern placed fourth by scoring 626 field goals, 386 free throws, and 1,540 total points for an average of 77.1 points per game. In total defense Southwestern placed fifth by allowing 596 field goals and 397 free throws, for a total of 1,589 points. This averaged 75.7 points per game.

In rebounding Southwestern placed tenth with an average of 33.4 per game.

## Track and Field

Southwestern's track team opened the 1966 season as defending conference champ. Coach Harold Elliott's squad was hoping to capture another title.

Among the standouts was Roy Clayton, conference champ in the javelin and NAIA's third runner-up in the national tournament. Bob Chavez was also expected to do well in the javelin. The sprints were fortified by 9.7 second man Adrian Miller and the Dial twins. Willie Williams and John Crow were also expected to perform well. The distance men, led by Jack Caudle, George Underwood, Bob Balerio and Marshall Love were also expected to do well.

SC's weight men, Mike Simmons, Dave Galiart, Butch Sharick and Ron Knock were expected to win their share of events. Dick Boehlke's broad jumping ability was also expected to strengthen the Builder team.

## In Memoriam

### Dr. Menno S. Harder

As a professor and friend, Dr. Menno S. Harder was held in high esteem by those who knew him. During the two years he spent at Southwestern, from the fall of 1963 to the fall of 1965, he treated each person as an individual, entitled to respect and attention. Prior to coming to Southwestern, Dr. Harder was a professor at Bethel College in North Newton, where he retired at the age of 65. With the firm conviction that his teach-

ing career was not yet concluded, he secured a position as associate professor of English and sociology at Southwestern. Although Dr. Harder died on August 10, 1965, the memory of a teacher—to whom teaching was more than a vocation—to whom it was a passion, was instilled upon the minds and hearts of those who had known him.
