## The Walnut Valley Folk

**Festival** was born on Southwestern's campus on Oct. 23, 1971. Cultural Arts Board and SAA sponsored the festival, which was planned and organized by Ruth Huber, Mike Totty, and David McMullen in collaboration with Stuart Mossman.

Festival day dawned gray, but by the afternoon, there was brilliant sunshine for the workshop sessions. The crafts fair featured the wares of many artisans and Campus-Y provided refreshments. All afternoon the feature performers and a number of talented amateurs gave workshops and mini-concerts from a stage set outdoors on the lower campus.

The evening concert opened with the Simmons Family playing Ozarks mountain music and Virginia Klemmons performing her own songs. The Bluegrass Country Boys laid down some real banjo-pickin' bluegrass; Pat and Victoria Garvey played their unique music. Then, Charlie Cloud nearly stole the show with his renditions of "The Young Man Waited" and "Brer' Terrapin Learns to Fly". Art Eskridge, Dan Crary and Dave Bromberg played their single sets. Bromberg and Crary gave a real treat to those who stayed 'til the end when they closed out the show with a fantastic display of flat-pickin'.

## Archie Rich

The Reverend Archie Rich, Director of the Ecumenical Action Training Center, Detroit, Michigan; author of *The Pilgrimage of Black Religion In America*; spoke in the Feb. 9 Chapel Event.

Archie Rich hit hard at those who would give equality to the black man, making clear that the black man is already equal and he cannot be given anything. Mr. Rich offered the benefit of the black man's experience in his struggle against repression to those who would change society.

## Fred Carney

Dr. Fred Carney, Professor of Christian Ethics, Perkins School of Theology, Dallas, author of numerous articles, conducted the Feb. 14 Chapel Discussion on the Ethics of Abortion.

Dr. Carney conducted the Chapel in forum fashion, using case studies to elicit responses from the audience and to initiate dialogue. In addition to the Chapel Event, Dr. Carney also conducted a seminar for a group of community and area citizens on the Ethics of Abortion.

## Robert Shelton

Dr. Robert Shelton, Assistant Professor of Religion and Human Relations, University of Kansas, spoke May 9 on: "Whatever You Get — Get Insight."

Dr. Shelton's talk emphasized the importance of insight in wisdom. He discussed the need for authentic wisdom so that a person will be able to relate that which he learns to the major issues which confront the society.

Students are the  
lifeblood of the college.  
They are the force  
and stuff of which  
it is made.

Fourteen SC students and Norman Callison left Winfield in April for an eight-week U.S.O. tour of the Pacific Command Area. The troupe presented "The Unsinkable Molly Brown" and an original variety show titled "Friends and Company" to U.S. personnel stationed in Japan, Korea, Guam, the Mid-Pacific Islands, Hawaii and Okinawa.

The fourteen included Lynn Bonomi, choreographer; Bill Borger, actor and manager of the variety show; Mike Brown, guitarist and technician; Bill Christie, chorus and dancer; Dixie Daugherty, musical arranger and accompanist; Becky Davis, actress and choreographer; Sandy Eddings, assistant manager and costumer; Robbie Gilger, voice coach and actress; Steve Hailey, actor and technician; Dave Lungren, chorus and dancer, Terry McGonigle, actor and prop man; Kathi Phillips, chorus and costumer; Greg

Swalwell, actor and coordinator of the variety show; Cheryl Woolsey, actress, and the director, Norman Callison.

While on the tour the troupe had a one-week lay-over in Japan. The rest of their time was kept full with one and sometimes two performances daily. They very seldom had a regular stage to perform on, so most of the per-

formances were done on tables pushed together or at the end of a hospital day room.

Southwestern was one of 25 schools selected to make the trip out of more than 100 applicants.

Although U.S.O. furnished all travel expenses, room and board, the troupe was on their own to raise more than \$4,000 before they left in April. The money they raised went towards their

week's stay in Japan and other expenses. Three Winfield and many area performances of the show were given prior to departure in an effort to raise the needed funds.

All fourteen of the students had to finish all schoolwork, including papers and finals, before they left in April.

Students gain their identity and give their own meaning to the structure through the groups and organizations they support.

## Varsity And J.V. Cheerleaders

The varsity cheerleader squad attended a workshop sponsored by the National Cheerleading Association in Pueblo, Colorado during August. At this workshop they learned new cheers and competed against other schools. Using ideas from camp and some of their own, the cheerleaders worked for school spirit in support of the "Builders." Besides practicing at least twice a week, the squad cheered at all football and basketball games, help pep rallies, and made game posters.

The junior varsity squad, elected in September cheered at the junior varsity basketball games and helped the varsity squad promote spirit by making game posters.

In the first part of November, the Lewis-Barrett-Benevento-Christie-Nixon Five placed second in an eight team tournament at Wichita. The Builder Bowlers placed ahead of teams from Bethany, McPherson, Friends, and three Junior Colleges. SC was lead by Ken Nixon who scored 547 for three games.

NAIA area and national competition took place in April with SC getting individual participation from Mike Lewis. The team is looking forward to next year with four of the top five returning to become the Builder Bowlers.

## Student Council

Southwestern Student Council has taken an active role in campus affairs at all levels. During 1971-72, the Council has focused its attention on making students' opinions and concerns heard about many major issues.

One area of special emphasis was improvement of communications with the Board of Trustees and other governing bodies. As a result, students are to become voting members of the Board. Council has implemented several other channels of communication, such as packets of letters mailed to Trustees.

The issues on which Council was vocal included recruitment, faculty cuts, off-campus housing, and the women's key policy. A Recruitment Committee was organized to coordinate student efforts in that area. Forty students were sent to speak at the forty United Methodist churches in the Winfield district in the fall. Students were hired to recruit during vacations and to make telephone contacts with prospective students. A survey was taken of students' views on recruiting; results of this survey were presented to the Trustees. Student concern about faculty cuts was expressed in the form of letters and petitions to members of the administration. A drive to allow off-campus housing for a larger group of students was started in the spring. The women's key policy was revised so that it would be more nearly comparable to policies in the men's dormitories, with optional sign-out and permanent keys available to all girls.

The council also made efforts to coordinate programs with St. John's College. Joint meetings led to such innovations as reciprocal passes to athletic event, efforts in voter registration, and exchanges of calendars.

The Council is the major channel for expression of student views to the administration. It has shown that it can be a powerful voice on campus. Working within the structure, Council has achieved many needed changes.

In keeping with the athletic tradition of the fraternity, members held key positions on the athletic teams. Joe Coles was this year's basketball captain and Ted Jantz was a football co-captain.

Beta Rho Mu fielded its annual intramural teams. The fraternity football team captured the intramural championship and two of the four basketball teams reached the tournament playoffs. The fraternity had

a strong volleyball team as well as two softball teams. The fraternity expanded its athletics in city league basketball and outside tournament teams in basketball and softball as well as sponsoring an area softball tournament.

Beta Rho's interest in the campus was shown by sponsoring two movies and being represented in other organizations such as A Cappella Choir, Phi Mu Alpha Sinfonia, and band.

Iota Pi Omega, in its third year of existence, serves the campus as the only women's service organization. The main project of the 1971-72 year was supporting the Wallingford Challenge. Since the club's main function is to promote school spirit, they sponsored many activities including ushering and making signs for games, participating in campus work days, hostessing prospective students, and participating in Greek Week. IPO also sold bumper stickers, issued "Finals Survival Kits," and sponsored the "Ugliest Man on Campus" contest. One of the year's highlights was obtaining the new IPO club room.

Officers for the year were: Dana Feaster, pres.; Ardie Garver, vice-pres.; Jan Ganson, sec.; Nancy Railsback, treas. 1st semester; Kimy Durbin, treas. 2nd semester; Anita Jantz, activities; Gwen Huck, hist.; Jan McAuley, publicity.

## Kappa Delta Kappa

Originally the first pep club on campus, Kappa Delta Kappa today has taken on a purely social role through which its members may form pleasant and lasting associations and simply have fun together. Among the annual activities of KDK are the Paddle Picnic, the Faculty Dames' Tea, and a formal dinner in Wichita. The officers this year were Jana Goodnight, President; Lyn Gabnebin, Vice-President; Naomi Carmen, Secretary-Treasurer, 1st semester; Marilyn Taylor, 2nd semester; Sandi Stegelman, Historian, 1st semester; Kathy Hoaglan, 2nd semester. The organization is co-sponsored by Mrs. Max Schwantes and Miss Judy Charlton.

# Women's Tennis

The Southwestern Women's Tennis team went undefeated during the 1972 spring tennis season. There were four matches, two against Oklahoma Baptist University of Shawnee, Okla., and two against Cowley County Community Junior College.

At Shawnee the Builders defeated OBU by an 8-1 team score. At home SC won by a 6-4 score. Against Cowley County, Southwestern won at home 10-0 and beat them at Ark City, 8-2.

Southwestern competed for their third year in the Missouri Valley Tennis Tournament at Oklahoma City. The entire team scored enough points to place third out of a field of 15 universities from 5 states. They were

the only team representing Kansas.

Jan Alderman and Linda Barnthouse made their way to the semi-finals in doubles in a field of 32 teams, only to be defeated by the No. 1 seeded team from Central State College of Oklahoma. Ardis Garver and Brenda Ball won their first match, but were defeated by the No. 4 seeded team, University of Nebraska. Alderman made the semi-finals in singles and Barnthouse got to the quarter-finals out of a field of 64.

The Women's Tennis team consisted of seniors Jan Alderman and Sheila Nickel; juniors Linda Barnthouse, Ardis Garver, and Linda Hill; sophomores Brenda Ball and Jo Blackburn; and freshman Candy Bolen.

## Women's Basketball

Southwestern College Women's Basketball Team compiled a season record of 7 wins, 3 losses. They took second place in the Winfield State Hospital Tournament. The team members included: Ardis Garver, Linda Barnthouse, Brenda Ball, Jan Alderman, Janis McAuley, Kathy Moore, Janine Schilly, Joyce Taylor, Janie Manning, Signe Rosenblad, Karen Ramsdale, Sandra Upshaw, Bernie Bernally.

# FOOTBALL

## The Moundbuilder football team ended the 1971 season

with a 4 win — 5 loss record. The Builder's conference record was 3 and 5 which placed them fifth in the KCAC. SC was coached by Wes Buller, his third year as head coach, Bill Stephens, Jake Brennan, Ray Nichols, and student assistant Steve Brown.

The Builders opened up their 1971 season at home against the defending KCAC champions, Ottawa University. Ottawa scored the first time they had the ball, but SC's defense held them in check the rest of the game with some clutch plays. Southwestern's offense, meanwhile, scored once in the second quarter and on the opening drive of the second half. If a very exciting game sparked by 3 passing records by senior quarterback Skip Hartman and senior split end Grover Jones, SC prevailed, 13-7.

Next opposition for SC was the Friends Falcons in Wichita. This game proved to be a very disappointing one for the Builders as they went down to defeat, 27-7. The game boiled down to big plays for Friends and SC's inability to move the ball as we had only 31 yards rushing. Friends opened up a tight ball game by scoring 21 points in the second quarter. SC's lone score came in the fourth quarter.

Home again, the Builders played Bethel College and won 26-7. The Builder defense played outstanding ball as they limited the Threshers to only 36 yards total offense.

Southwestern then traveled to Tabor College to meet the Bluejays in their homecoming game. In this game the Builders finally got a rushing attack going as they rushed for 212 yards, sophomore fullback John Schwer getting 110 of those yards. After a great defensive goal-line stand by SC in the first quarter, the Builders assumed control of the game. They scored twice in the third quarter on drives of 68 and 72 yards. Tabor's only score came with 6 seconds left on a 73 yard interception to make the final score 13-7.

Sterling used the big play to defeat the Builders. They returned one punt for a touchdown, had an 83 yard pass scoring play, and intercepted two passes in the fourth quarter to stop long drives by the Builders. SC's TD came in the second quarter after an 83 yard, 15 play drive.

McPherson hosted SC next for its homecoming game and won their first game of the season as they defeated the Builders 25-17. In the game, which saw the lead change hands six times, Southwestern threw five interceptions to stop drives. Mike Hiebert, though, rushed for 121 yards. This loss made the overall Builder record 3-3.

However, Southwestern came back to win against St. Marys the next weekend at home, 7-0. The game was played on a very muddy field which neutralized both team's offenses. But, Grover Jones provided enough offense as he returned a punt 64 yards in the fourth quarter for a TD.

SC then lost to Bethany College, 32-14, on a cold night. And, in the first twenty minutes of the game, almost before the Builders could get warmed up, Bethany had scored 23 points. SC did score in the first half as Skip Hartman connected with Steve Stone on a 56 yard pass play, the longest TD play of the season for SC. That made the halftime score 23-7. SC also scored in the third quarter to make the score 23-14, but three interceptions stopped other SC drives. Bethany scored nine more points in the fourth quarter to ice the game, 32-14.

## Homecoming

"Color My World" was the theme for the 1971 Southwestern Homecoming, held October 16, 1971. The morning featured the traditional parade with many floats and bands. At noon, returning alumni gathered for a luncheon.

At the game, Cheryl Simpson was named Homecoming Queen. Other candidates were Linda Taconis, Pat Howard, Brenda Farmer and Denise Dowell. Campus-Y won the float competition. Unfortunately, in the game, the Builders went down to defeat 24-7 at the hands of Sterling. Closing out the day was the Homecoming Dance, featuring the band "Smoke Ring", from Lincoln, Nebraska.

In Southwestern's final game of the season, Kansas Wesleyan provided the opposition. Like the game against Bethany, KWU scored quick and at the end of the first quarter, KWU led 14-0. By the end of the half, KWU had scored another TD to lead 21-0. SC's only score came in the fourth quarter to bring about the final score, 21-7. This game clinched the KCAC championship for KWU as Charles Jessamy, the NAIA's leading rusher, rushed 45 times for 253 yards against the Builders.

Three Southwestern Builders were named to the All-Kansas College Athletic Conference football team for the 1971 season. Gary Garzoni, a senior from Punxsatawney, Pa., was selected by the nine coaches of the league, as the center for the second straight year. Bob West, a senior nose guard from Camdenton, Mo., made the defensive line of the elite team. Grover Jones, Kansas City, Mo., a senior split end for the Builders, was a unanimous choice for the All-KCAC team. Garzoni was still not through with his honors as he was selected to the NAIA All-American team as an honorable mention center.

There were 13 records broken during the season, all having to do with passing. Grover Jones broke six pass receiving records. They were: Most passes caught in one game (13), in one season (64), and in a career (125). Most yards gained pass receiving in one game (169), in one season (785), and in a career (1630).

Skip Hartman, SC's quarterback, set five records. These included: Most passes completed in one game (21), in one season (102). Most passing yardage in one season (1102); and most interceptions thrown in one game (5), and in one season (19). Bruce Satterthwaite tied a record for most passes intercepted in one game (3). The only team record set was most interceptions thrown in one season (25).

Speaking about the season, Coach Buller, who later in the year resigned as head coach, commented that SC moved the ball as well as anyone be-

tween the 20's, but a lack of power running and restricted passing inside the twenty hurt the scoring. This was evidenced by the fact that 10 times opponents intercepted a pass within SC's twenty and the longest TD run was only four yards. Buller also felt that the league was much more balanced than it has been in past years.

Seniors on the 1971 Builder squad were: Tri-captains Gary Garzoni, Ted Jantz and Grover Jones; Mike Dobson, Chuck Haag, Skip Hartman, Mike Hiebert, Rick Huck, Terry Ishman, Roger Maris, Paul Satterthwaite and Bob West.

Juniors included: Paul Allen, Brad Bennett, Jim Dick, Tim Robertson and Doug Womack.

The sophomores on the team were: Rich Bacher, Dennis Burkett, Joe Calise, Carl Carlson, Lindy Craig, Rick Eyestone, Tom Gilmore, Steve Knapp, George Lowe, Mike McCoy, Pete Osmun, Tom Ponzi, Fred Rose, Gavin Russo, Steve Savarese, Bruce Satterthwaite, John Schwer, Steve Stone, Greg Swalwell, Bob Taylor and Dale Voth.

Freshmen were: Mike Baldwin, Mark Carmen, Pete Cisek, Ross Couchman, Ace Crescenzo, Jim Dorsch, Jim Gillaspie, Larry Gillen, Tom Goldston, Ron Miller, Vic Mojica, Pat Murphy, John Stepnoski, Bill Starke, Brad Whitney and Jim Wright.

# Cross-Country

The Southwestern cross-country squad for this year could be summarized in two words: young and inexperienced. The team returned only two lettermen from the year before. They were senior-captain Tom Munding and senior Jerry Fye. During the course of the season 13 runners came out for the team but only five managed to finish the year and earn their letter. They were Munding, Fye, Doug Hunter, Hal Hinson and Larry Collins.

Fye and Munding were the only runners to gain medal honors during the season. At the Oklahoma Christian Invitational they placed 5th and 11th, respectively, to get NAIA medals. Then at the conference meet, Fye placed 2nd and Munding placed 6th to lead the team to a 2nd place finish and gain a berth on the all-conference team. The team was under the direction of Head Coach Robert Karr.

## The 1971-72 Moundbuilder

**basketball season** was like a basketball game — it had two halves. The first half saw the Builders lose their first nine games, but the second half saw them win ten out of thirteen, with two of those losses by one point.

For the season, SC finished with a 10-12 record and a KCAC record of 10-6, placing them third in the league. It was the highest finish for Southwestern since the 1967-68 season when SC also finished third.

The SC basketball season started off with three losses in three days. Defending District # 10 champions, Sacred Heart, beat the Builders, 91-80, on Nov. 30. Parke Biby led SC in scoring with 25 points. The next two days saw the Builders lose 2 games in the final 15 seconds of each game. Sterling defeated SC, 76-74, and then McPherson won, 64-63. These last two games were played in the first-ever KCAC Tournament at Friends University.

SC's first home game was played against Emporia State on Dec. 9. The Builders again lost a close one, 74-68. Friends provided SC with their first conference game two days later. The Builders had a bad first half and were behind by 18 points at half time. In the second half, they came back to within four, but still lost 83-73.

The final two games before Christmas saw the Builders lose their second conference game to Bethel, 88-74, at home on Dec. 17, and lost their seventh straight game overall to out-of-state foe, Drury College in Missouri.

The 1972 part of the basketball season proved to be different than the 1971 portion, but it started out the same as SC lost to College of Emporia, 49-45, at home on Jan. 4, and lost to Tabor, 86-74, for nine straight losses.

The season turned around, however, when SC beat Sterling at home on Jan. 11 by a score of 80-59. This game was the start of a seven game win streak at home. McPherson was the next victim for the Builders as they scored an impressive 94-74 victory at McPherson.

Jan. 18 was a big night for SC as they beat the KCAC leader St. Mary, 78-62, to up their conference record to 3-3 and put them right in the thick of the KCAC race. It was the best game SC had played up to that point.

The three game win streak came to an end at Bethany on Jan. 22. Brice Leon hit two free throws with 8 seconds left to give Bethany a one-point victory, 64-63.

SC returned home on Jan. 25 to face Kansas Wesleyan. The Builders went over the 100 point mark in defeating KWU, 104-72. The Builders put in 21

straight points at the start of the second half.

Feb. 3 was another big day for the Builder team and fans. SC defeated Friends for the first time in nine contests with them, 84-73. A balanced scoring attack (Parke Biby, Jeff Boone, Gary Hammer and Gregg Howell each scored 16 points) and free throws (24 of 30, including 10 of 11 in the last one and a half minutes when a 2 point margin opened to the final spread of 11 points) were the keys to the victory. This win moved the SC conference record to 5-4 and overall record to 5-10.

Bethel defeated the Builders again on Feb. 5, 82-81, as Jim Robb, Bethel's center, scored 22 points in the first half. SC, down most of the game, came back strong, but again lost the game by free throws as Ron Blanton hit two for Bethel with 9 seconds left, giving them a one point victory.

SC won their fifth straight home game at Stewart

Field House on Feb. 8 when they defeated Tabor, 90-74. Six SC players scored in double figures in the game. Sterling provided the next opposition for SC and won 84-77 as Kent Davidson poured in 34 points against the Builders. McPherson lost to SC on Feb. 15 by a score of 81-71. Gary Hammer led the Builders in scoring with 21 points, 19 of those in the second half.

On Feb. 19 the Builders traveled to Dodge City and gunned down the KCAC champs, St. Mary, for the second time as SC won, 75-72. Clutch free throws by SC near the end of the game gave St. Mary two of its conference losses. It was an exciting ball game as SC let all the way. Larry Ewart led the Builders in scoring with 21 points.

The Builders won their seventh straight home game on Feb. 22 against Bethany College, 76-70. Down by as much as nine points in the second half, hot shooting late in the game carried the Builders to

victory. SC finished its season on the road against KWU and won 88-72, for a fourth straight victory, as five Builders hit in double figures.

Parke Biby led Southwestern in scoring with a 16.3 average and in rebounding with a 9.9 average. Biby was also selected as the only sophomore on the All-KCAC team, and was elected by his teammates as the team's Most Valuable Player.

Joe Coles, the only senior on the squad, was selected as the Most Inspirational Player and was the team captain. Larry Ewart won the Free Throw Award as he hit 80.2% of his free shots. This was a record for SC and was second best in the conference.

Bill Stephens coached the Builders, his second year as head coach. Mike Dobson was student assistant. Members of the team were: senior Joe Coles, juniors Jeff Boone, Larry Ewart, Terry Hill, Gregg Howell, Rodney Johannsen and Larry Warner; sophomores W.R. Allam, Ed Benesh, Parke Biby, Max Furgeson, Gary Hammer, Mike Lewis and Pat Underwood; freshmen Andy Balerio, Ron Barrett, Alan Brennan, John Craft, Craig Dewell, Bob Geary, Ken Goyen and Terry Rhea.

Lettermen were: Coles, Boone, Ewart, Hill, Howell, Johannsen, Warner, Allan, Benesh, Biby, Hammer and Rhea.

## Golf

Southwestern's golf team won the KCAC championship this year, SC's second crown in three years. Southwestern placed fifth in the District 10, beating all other KCAC schools. These two top finishes made it one of the best seasons for the SC linksters.

The Builders entered seven matches during the season, defeating every team they met except one. Sacred Heart took an 8-7 victory. Six out of seven matches, SC took medalist honors. Senior Ray Wyatt was medalist four times and senior Skip Hartman, twice.

The KCAC Tournament was held in Salina on May 1 and 2. Kansas Wesleyan led by two strokes after the first day of competition. But, by the end of the second day, Southwestern had made up the two-stroke deficit plus

two more to win the KCAC championship over KWU, 961 to 963. The Builders had three players in the top ten finishers. Hartman was second with a 231, Wyatt was fourth at 240 and Dick finished seventh with a 244. Veschuscio had a 54-hole total of 249 and Beary shot a 258.

In District 10 competition the Builder team took fifth place with a total of 658. Wyatt did an exceptional job at this tournament, taking second place with a 153.

The golf team was coached by Bill Stephens. Members of the championship team were: Jim Dick, Skip Hartman, Tim Robertson, Tony Veschuscio and Ray Wyatt, seniors; Loren Bridge and Harry Courtois, sophomores; and Bob Geary, freshman.

# Tennis

Southwestern's tennis team placed third in the 1972 KCAC Tennis Tournament. In seven matches during the season, SC won 4 and lost 3.

SC's first match was against Cowley County on March 21. Southwestern was defeated by a team score of 5-1. The first home match came on March 27 when SC hosted Concordia and won 6-1. SC also posted wins during the season against Sacred Heart twice and St. Gregory's of Shawnee, Okla. The other two losses came at the hands of Bethany College and Emporia State.

The KCAC meet was hosted by Southwestern on May 8 and 9. Bethany College claimed the championship, followed by Tabor, SC, McPherson College and Sterling College. Southwestern could get no one past the semi-finals in singles matches and in doubles play

of the KCAC meet. Four of SC's players did play in the semi-finals of singles — Jeff Boone, Mike Dobson, Bruce Satterthwaite and Ray Krause. In doubles play, two SC tandems were in semi-final play; Boone and Dobson, and Bill Spear and Krause.

Members of the 1972 SC tennis squad were: seniors Mike Dobson (who assisted Coach Hower) and Bill Spear; junior Jeff Boone, sophomores Tom Gugliemelli and Bruce Satterthwaite; and freshman Ray Kraus. After coach Bob Hower's death, Wes Buller took over coaching duties, assisted by John Kretzer and Mike Dobson.

## Track — SC Relays

The Southwestern track team captured the KCAC championship this year by overwhelming second place MPherson 198 to 128. This win completed a record breaking season for the Builder squad.

During the indoor season, SC ran in four indoor meets and came back with 9 Southwestern records. On the track, seniors Tom Munding, Doug Hunter and Darnell Jones all set records — Munding in the 600 at 1:15.0, Jones in the 440 at 51.1, and Hunter in the 60 yard high hurdles at :7.8. Jones, Hal Hinson, Ken Nixon, and Edreese Sherman had a record time of 3:27.2 in the mile relay. A record of 22' 2½" was set in the long jump by Nixon, while Dale Mills leaped 6'4" in the high jump for a new record. Other SC record breakers were Rory Hanson with a pole vault of 14' and Mike Baldwin with a shot put of 45' 7½".

The outdoor season began with four dual and trian-

gular meets, with SC winning the last two; followed by the big relays. The Builders entered the OCC Relays, Emporia State Relays, KU Relays, Doane Relays and Southwestern Relays. SC did best in the field events and the 440 yard relay, with Mike Hiebert winning three out of five meets in the javelin throw.

The season ended with the KCAC championship meet. The Builders came away with 25 medals, 13 ribbons, conference patches and all four trophies — awarded for first place team, winning 440 and mile relay teams, and high point man. Ken Nixon was high point man with 34 points. He ran on both relay teams, won the 440 in 49.8, placed 2nd in the long jump and 3rd in the 220. Along with Nixon on the winning mile relay team were Hal Hinson, Edreese Sherman, and Steve Arning and on the 440 relay team were Angie Benevento, Vince Benevento, Sherman, and Nixon.

George Froehlich set a new conference record in the hammer throw, tossing 135'11"; and Mike Hiebert won the javelin throw hurling 219'4". Grover Jones won the triple jump at 42'8", Rory Hanson won with a 13'6" jump, and Dale Mills high jumped 6'4" to win. Two school records were also set in the meet — Doug Hunter ran the 120 high hurdles in 14.8 and Ralph DeSantis won the three mile run in 15:12.5.

For the third year Mike Hiebert traveled to the NAIA meet in Billings, Montana. Hiebert placed 3rd in his first year and 2nd last year, setting an SC record of 238'4" in the javelin throw.

The squad was coached by Robert Karr and assistant Jim Helmer. The captains this year were Angie Benevento, Vinnie Benevento, Doug Hunter and Tom Mundinger.

## January Term

During January, each student takes only one course and spends full time on it. These one month courses are graded on a pass-fail basis. Students are encouraged to: Explore unconventional studies both on and off campus; to design and carry out individual research projects; to study in depth areas in a single field; and to study in areas of interest that are outside their major areas.

Jan Term offerings this year included: Field trips to Mexico in anthropology and biology; the Theatre Production Workshop production of "The Lion In Winter"; a trip to Canada to study French; a course in cooking offered for men; a course in Contemporary Black Culture taught by two black students; studies in the Rhetoric of Women's Lib; one entitled "Art On A Grand Scale," where students produced really large works for campus display; and a performance course in the history of Broadway.
