S.C. Debaters are Riding High

The Southwestern debate squad had a very successful 1993-94 season. Overall the squad won well over one hundred rounds and squad members received over fifteen individual speaker awards.

Southwestern finished the season ranked among the top fifty colleges in the United States for the fifth consecutive year. Ann Woodward and Jason Bertolacci finished the Cross-Examination Debate Association national tournament in seventh place, and

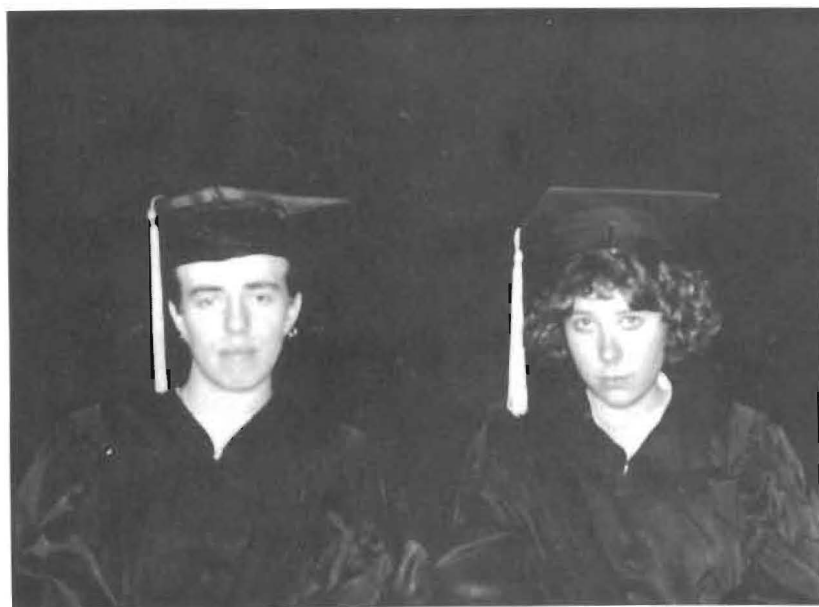

K.J. Pittman teamed up with Bertolacci for a fifth place finish at the National Junior Varsity Debate tournament.

S.C. scored wins over schools such as Vanderbilt, UCLA, K-State, Michigan State, Arizona State, William and Mary, and Cornell and advanced teams into elimination rounds at virtually every tournament. In fact, S.C. placed two or more teams into elimination rounds at five different tournaments.

S.C. debater Ann Woodward received Aca-

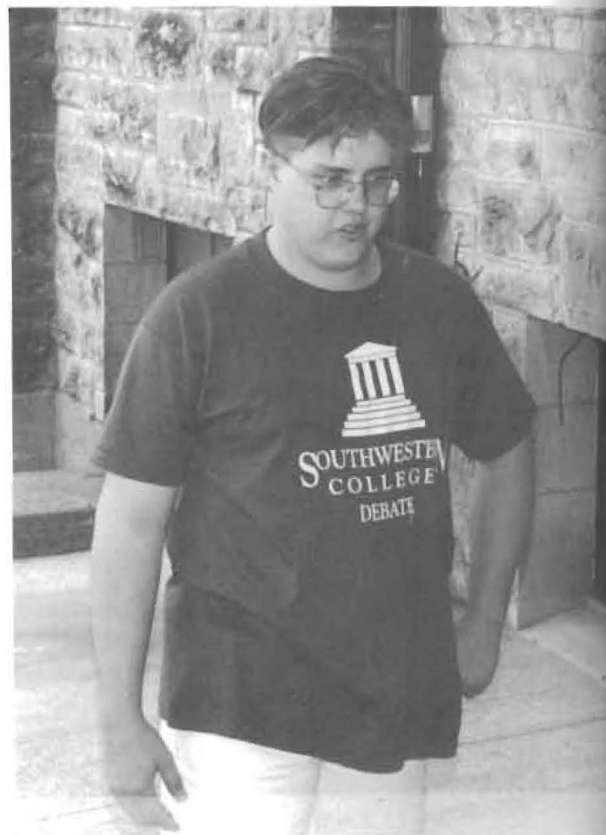

demic All-American honors from the Cross-Examination Debate Association, and K.J. Pittman was appointed Student Lieutenant Governor of the Plains Province of Pi Kappa Delta (an honorary national forensics fraternity).

Overall seven debaters attended tournaments during the 1993-94 season. They were: Jason Bertolacci, Trevor Bridges, Glenna Burden, Brian Pettey, Joseph Piper, K.J. Pittman, and Ann Woodward.

Redefining Spring Break

Spring Break '94 has a new definition to it at Southwestern. Usually students pack their bags and head off for some rest and relaxation. This year nine students and coordinator Katie Bumpas headed to sunny Florida not only for the rest and relaxation, but to help with the Winfield Area Habitat for Humanity. That's right, they worked during Spring Break.

Their job was to help with the rebuilding effort from the recent Hurricane Andrew. Not only did they work in Florida, but they had fun doing it. It was not all hard work, they got plenty of time to have fun on their own. Everybody seemed to enjoy the trip and will have memories that will last a lifetime.

This year marks the first for the established chapter of Phi Delta Theta on the Southwestern Campus.

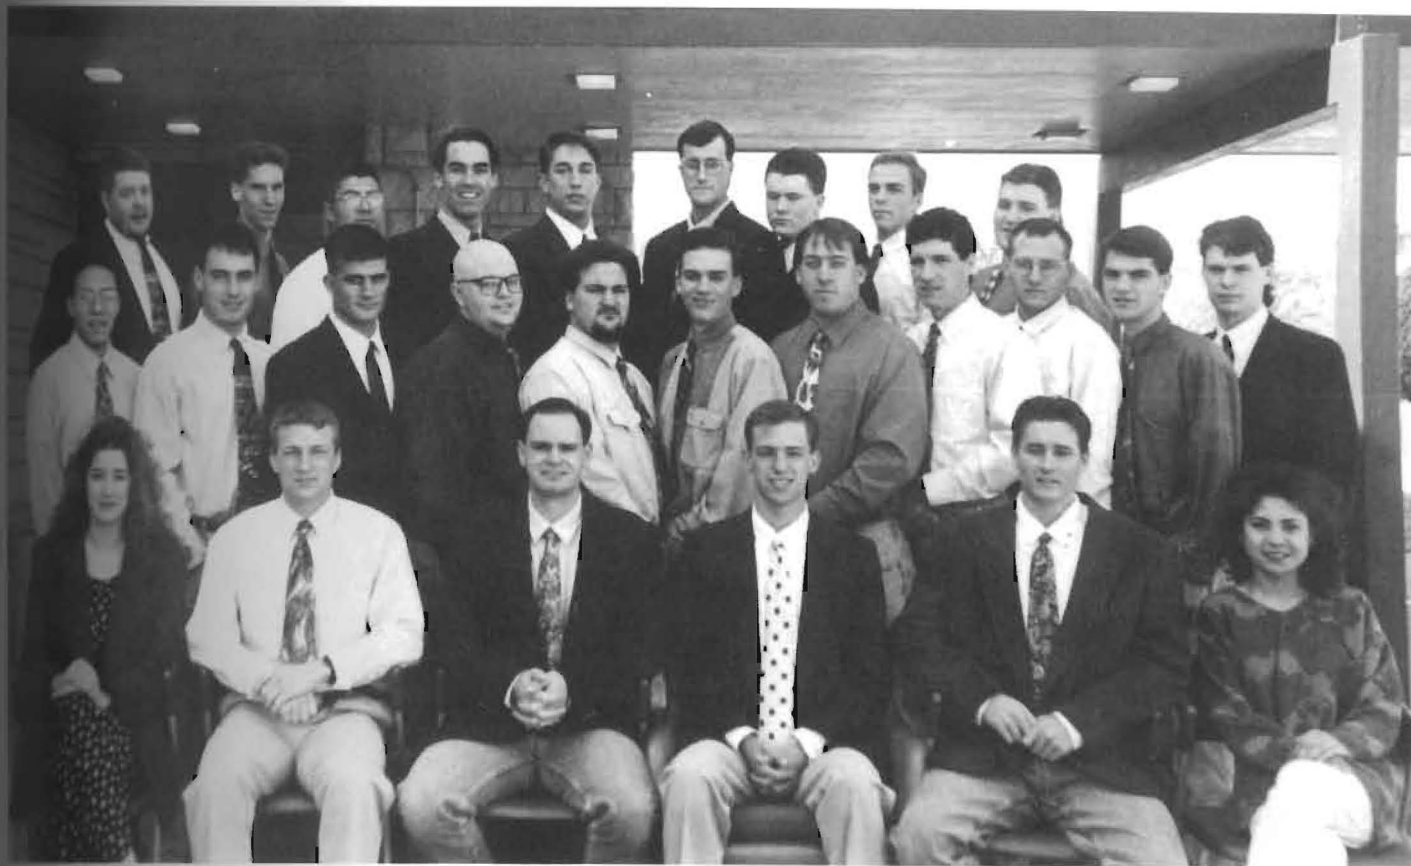

The organization had its induction ceremony in February. The first 12 to 18 months, the organization is known as a colony. During this time Phi Delta Theta will receive close attention and assistance from other chapters, local alumni and the General Headquarters.

Phi Delta Theta was chosen on the basis of its international reputation, its record of successfully

building new chapters and the involvement of its alumni in the Winfield, Wichita and Topeka areas.

"Phi Delta Theta met much of the criteria desired, especially its three principles which were quite similar to those of Theta Phi Delta's," said Jay Wilson.

Phi Delta Theta was founded in 1848 at Miami University in Oxford, Ohio. The Fraternity boasts over 180 chapters and nine colonies in the United States and Canada. This includes five in Kansas.

NTO Brings Changes for S.C.

After the sudden realization that non-traditional students make up 54 per cent of the Southwestern student body, many joined forces to create an organization where they could voice their opinions and share their viewpoints.

The organization formed became known as the NTO (Non-Traditional Organization). The group met March 15 for a membership drive/pizza party. At the meeting, the students were addressed by Dean Wilke regarding some of the things that can be done on campus to better accommodate non-traditional students.

The fraternal order of Pi Delta Sigma started the 1993 year by hosting its First Annual Delt Golf Tournament. With the proceeds, the Delts were able to achieve many things this year. One in particular was a ski trip to Keystone, Colorado. They were also able to hold a two week pledge session, in which 11 new members were inducted. Other activities for the year included: the Adopt-A-Highway project, a St.

Patrick's Day celebration, the end-of-the-year cookout, intramural softball and croquet, Phon-a-thon, and the annual Valentine's Day Sweetheart dance.

When asked, President Kris Cummins said, "I believe these eleven new members will be the heart of the Southwestern Campus Organization for the next four years."

Starting next year, the Delts

have taken on the campus program, and look forward to a prosperous year.

This year's executives were: President, Kris Cummins; President, Don Vawter; Secretary, Charlie Rhoads; Treasurer, Cetra Oberhelman; and Pledge Master, Mike Hargis. Rebecca Swenson and Heather Moore were also members.

Causing Some Racket!!

Men's tennis had an excellent season with a second place finish in the KCAC. Even though S.C. was not the KCAC Champion, there were many other honors they received for the season.

Head coach Steve Vann was voted the Coach of the Year for his exceptional talents this season. Scott Sisson was named the KCAC scholar-athlete while Ben Richardson received a sportsmanship award. These two men placed second and third in the KCAC All-Conference Men's Tennis. They also placed second as doubles partners for the Individual Champions. Others who received awards were Jim and Jeff Everett for All-Conference Honorable Mention.

With this type of leadership in a tennis team, you can definitely hope for a future championship. The team will continue to grow, and with the support of the S.C. students, faculty, and fans, this championship will not be far off.

7th Consecutive Title

Southwestern put together a great team for the 1994 season. The leadership shined through as they took 2nd at the NAIA District 10 Tournament. Those who placed in the top ten were Jason Gulley placing 7th and Kris Cummins placing 3rd.

S.C. Golf continued their excellence by taking the KCAC Golf Title for the 7th consecutive year. The tournament was held at the Hesston Golf Course where Kris and Kurt Cummins tied for 1st place. In a close 3rd was Brett Rariden with Ryan Hubbell and Jason Gulley placing 5th and 6th.

With the type of talent that keeps coming back each year we can look forward to many more years as KCAC Golf Champions.

Conquering New Heights

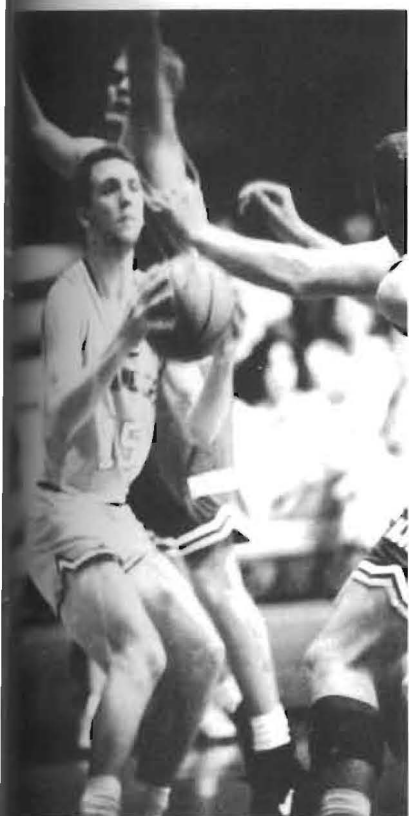

Men's basketball began the year in a slump with a 0-4 record. This did not last long as the Builders turned it around in the middle of the season with a 7 game winning streak. Overall, the Builders had a very productive season setting seven new records. Senior Matt Gill, led the Builders, not only setting a record of the most points scored in a game and in the season, he also shattered the free throw record with 116. That was 100 more than the previous record. Other school records that were set or tied were Most Assists: Aaron Roop 12, Best Field Goal Percentage: Kyle Farrell .715, Fewest Errors in a Game: 2, and Most Points Scored by Opponents in a Season: 2293.

It's a Building Season

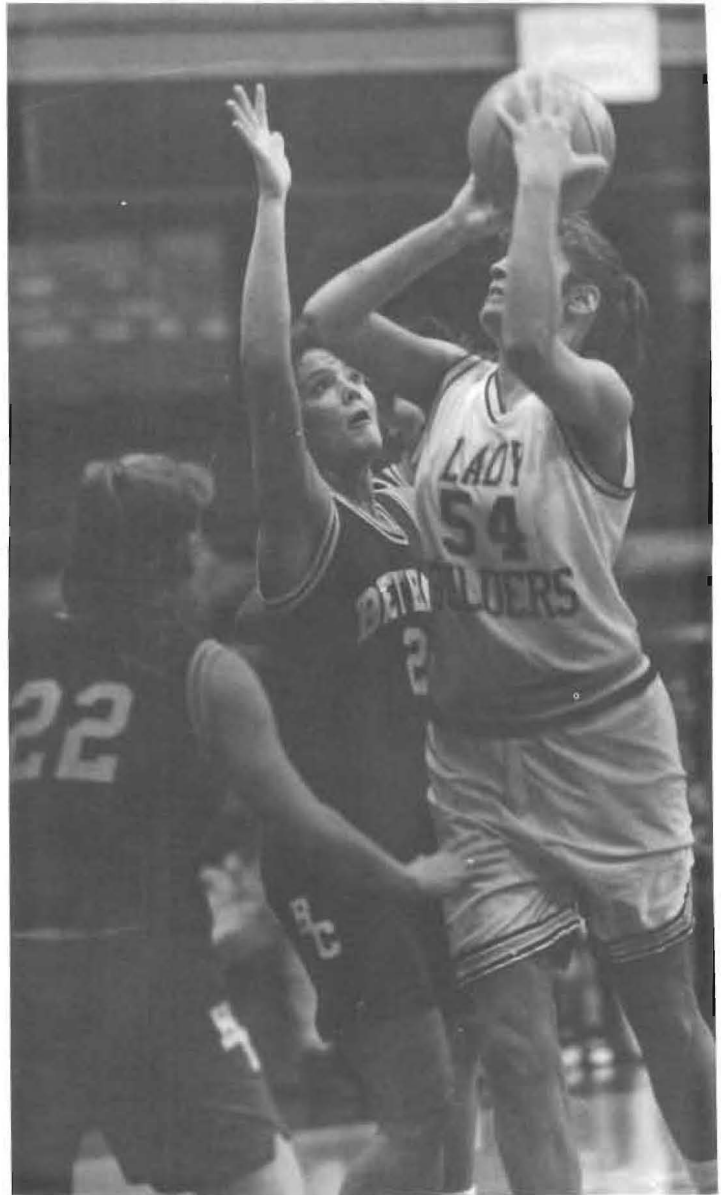

The Lady Builders got off to a slow start with a 0-3 record. Despite a slow start, the Lady Builders did not give up. They continued to play great games and finished the season with a 9-15 record. This got them into the playoffs where they placed 8th in the KCAC. They were able to do this with outstanding efforts by the whole team. The Lady Builders set new season records in Best Defensive Field Goal Percentage at .394, Most Free Throws Scored with 401, and Best Free Throw Percentage at .664. This free throw percentage was contributed to by Shandi Slough who set a new record for Best Free Throw Percentage in a game scoring 11-11.

Champion Builders

Whether it is indoors or outdoors, the 1994 track season was outstanding.

The Builders entered the indoor season as defending District 10 Indoor Track Champions. Both the men and women retained this title with the women setting 11 new school records.

With a successful indoor season behind them, the Builders headed outdoors. The men's and women's teams seemed to be identical with both claiming the KCAC and NAIA District 10 titles.

At the KCAC championships, the women took the title for the 2nd consecutive year with 183 points, 61 points more than 2nd place Bethany. This was a KCAC record for the total points scored. This was not the only record scored by the women. All together they set three new school records.

The men blew the field away when they took their 12th consecutive KCAC title. They ran up a total of 277 points, 197 more than 2nd place Sterling. This was

the largest point spread in KCAC history.

After taking the KCAC titles it was on to the NAIA District 10 Championships. The Lady Builders took this title by scoring 170 points and setting two school records. The mens team once again blew the field away scoring 237 points, 166 points more than second place.

It was an outstanding season for both the men's and women's teams.

Yes, Southwestern College is an institution building toward tomorrow. With the renovation of Reid Apartments, the restructuring of Darbeth Fine Arts Building, the addition of The Center For Teaching Excellence facilities, and the Ground Breaking Ceremony for the remodeling of Stewert Fieldhouse, Southwestern has continued to build toward the future. We find the theme "Building Toward Tomorrow" a perfect theme for this year at Southwestern.
