Organization

Student Activity Association

SAA sponsored many activities for the 1994-1995 academic year. Some of those activities included: free movie night, bowling night, a monopoly tournament, the midnight breakfast, spring formal, and rapelling. Many other activities took place on campus throughout the year that were made possible by SAA.

"What is your vision?" This is the first question Martin Rude asked the Student Government Executive Board during their planning session before the 1994-95 school year began. "What is our vision?" they asked themselves. With this question in mind, President Donelle Bergeson, Vice President Jon Schneider, Secretary Angela Mayorga, Treasurer Jennifer Loomis and Assistant Dean of Students Dawn Pleas-Bailey put their heads together to search out the answer. The answer that emerged was that SGA really is the voice of the students. Members encourage students having concerns to bring them to SGA meetings for the Senate to study.

Other actions of the SGA were to query activities and organizations on campus about concerns affecting students. Steps were taken, and will continue to be taken, to make the Southwestern College campus safe and free of concern.

Front: Chris Douglas, Christian Lutz, LySyin Lobster-Maddox, Jana Cartwright, Tava Jo Ingram, Rebecca Vicker, Amy McWhirt, Jessica Muret, Jerome Bailey.

With probably the largest staff in the past five years, the *Collegian* kicked off its 99th year in print. The new staff was eager to begin reporting the happenings on campus and did a wonderful job of including a variety of articles in each page turning issue.

The first semester Amy McWhirt, Robin Hathaway, and Chris Smith served as the editors. To finish off the year, Robin Hathaway and Jerome Bailey served as the second semester editors. Throughout the year the staff lost a few members, but they also gained some.

This year the *Collegian* assigned "beats" for each reporter to make sure that all possible stories were reported. The *Collegian* also had many people who were eager to take pictures so there were many photos to accompany articles.

Advisor Kathy Wilgers said she was pleased with the efforts of the 1994-1995 *Collegian* staff and the turnout of this year's *Collegian*.

With the combined efforts of the entire staff, the 1994-1995 Moundbuilder staff finished yet another page turning book packed cover to cover with pictures and stories of the past year on SC campus.

Each club, sports team, organization, and event was covered in an interesting and unique way.

Many people worked above and beyond the call of duty to make sure pages were done by the deadlines to bring you this yearbook.

You want me to what? Morgan Puderbaugh looks in disbelief at the editor who has just given him another assignment.

Grand Debate as usual

The 1994-1995 Debate Squad had a spectacular year, especially in self-growth. The squad was privileged to get new assistant coach Jason Hartwig. Jason came to Southwestern after debating at the University of South Carolina and coaching at the University of Wyoming. The squad also had many freshmen who added to the diversity of the squad.

The debaters performed outstandingly on the national circuit competing with much larger universities. But the debate squad is most proud of their accomplishments that happened outside of competition. The members of the squad participated in two service projects. The first of these projects is an annual tradition for the debate squad. They adopt a needy family from Winfield and buy them food and household goods for Christmas time. The second service project that the debate squad sponsored was an all-campus clothing drive for Bosnian refugees in Northern Italy. After spending all year debating about the bad things that go on in the world, the debaters like to do their part to change at least their little corner of the world.

The debate squad is also very proud of their accomplishment at the 1995 Pi Kappa Delta National Forensics Tournament and Conference. All of the debaters who attended presented papers on panels. Jeff Clark was on the panel "Making Forensics More Accessible for the Novice." K.J. Pittman, Chris Burley, Shannon Clements, and Jennifer Crispin were on the panel "Rhetorical Biases in Forensics: Do Words Empower Participants in Competition?" Coach Jennifer Morgan was the chair and Assistant Coach Hartwig was the respondent for the latter panel.

At the National Convention, the Southwestern College chapter of Pi Kappa Delta was honored as an Outstanding Chapter by the national committee. This award was one of only six given to schools from across the nation.

Campus Players support theater

This year, members of Campus Players sponsored a needy family at Christmas time as a volunteer service project. Members of the group collected donations to present to the family for the holiday season.

Members of Campus Players actively participate in the drama productions in many ways. These include: acting in the performances, doing technical

work, or performing other necessary theater jobs both on and off the stage.

The members also help in the selection process of the plays that will be performed by drama students on the Southwestern campus.

Pi Gamma Mu

The Alpha Chapter of Pi Gamma Mu, the International Honor Society in Social Science, founded in 1924 by Dean Leroy Allen, had two noteworthy events this year. The first was spring initiation of eight new members, and the second was a program with demonstrations of Bulgarian customs, crafts, and music by Alicia Lindal who spent a year at the American University in Bulgaria. At that same meeting new officers were elected: Mary Bannon, President; L.K. Plain, Vice President; Lori Peters, Student Secretary; sponsors, Phil Schmidt and Roberta Deppe, and Alan Moore, Treasurer. Diana Zampieri again provided honor sashes for Pi Gamma Mu members graduating in the 1995 class.

SC shares in Martin Luther King, Jr's Dream

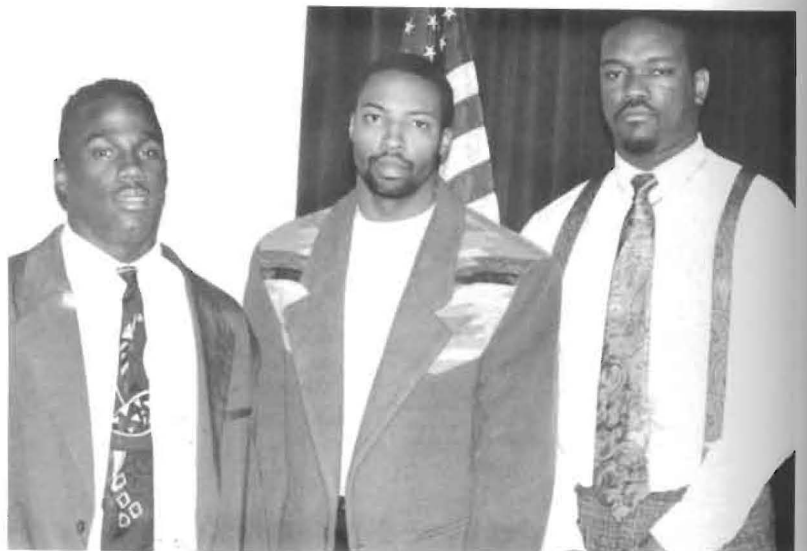

At Southwestern College, Martin Luther King Day is an important holiday. This year Dawn Pleas-Bailey led the students in making this a memorable event. Dawn wanted M.L.K. day to be student led and to bring everyone into the celebration of this day. She encouraged all students to join and become active. The students who did something for the convocation were asked to use their creativity in what they wanted to do. Students were told to use their own ideas and have fun. The convocation was a huge success and everyone involved did a great job.

Leadership Team

Above: Pam Richert and Stacey Robbins are proof positive that the mission trip to Vera Cruz, Mexico was not all fun in the sun

One of the new and exciting organizations on campus is the Leadership Team. After going through a selective process based on grades, previous leadership experience, essays, and an interview with the team's sponsor Cheryl Rude, fifteen members were selected. The first half of the year included a class and weekly meetings to discuss how individual projects were progressing. Second semester was the team unifying experience as everyone became closer. The mission trip to Mexico cemented all that had been learned throughout the year. Character development was accomplished as individual had to create his own personal mission statement and work as a team, illustrating this organization. Hopefully, this new wave of leadership on Southwestern's campus will continue progressing in the future with new members bringing their own ideas. Watch out, future leaders are here!

Black Student Union

The 1994-1995 Black Student Union had a year which brought students from different minority cultures together to build a strong supportive team with a large number of freshmen and a new Assistant Dean of Students. BSU students held a telethon in conjunction with Admissions to promote the recruitment of future minority students. The BSU officers were Tyree Myles, president; Monique Stanley, vice president; Laura Rivera, secretary; and Dearthrick McPherson, treasurer. To kick off the year a barbecue was given at the home of the Assistant Dean of Students, Dawn Pleas-Bailey. This was the beginning of an active year.

The group also attended church at

St. Mark's United Methodist Church in Wichita for fellowship and food. The BSU women participated in the Homecoming parade, dancing and singing about Southwestern. BSU also attended a Multi-Ethnic Student Conference at Bethel College, where students discussed problems that affect minority enrollment and retention. Ten BSU Students attended the all day event.

The BSU planned the Martin Luther King Day celebration, which was programmed to represent the diversity of the campus. They ended the year with, "The Last Dance" a party held in the Student Center to allow students to relieve stress before finals.

Pi Delta Sigma

Pi Delta Sigma, founded in 1968, is the only co-ed Greek organization on campus, although it has only been co-ed since 1973. The Delts are a unique group. The ideals of the organization are symbolized by three Greek letters which make up the name of the organization. Pi, meaning noble spirit; Delta, meaning alert mind; and Sigma meaning vigorous body.

Gammas serve community

Gamma Lambda Upsilon started off the fall semester of '94 like usual by helping the new freshmen move into their prospective places. The brotherhood helped organize Freshmen Workday by organizing materials for projects, being group leaders, and decorating the cafeteria for the banquet. Then they started on their biggest project of all, the painting of Terry Barnett's house - the purple one on Ninth. This project took seven Sundays and a Saturday to complete. During this project, the organization held a successful seminar on Date Rape, which was done to make people aware of the problem. With the

painting project done, the Gammas co-sponsored, with Sigma Iota Sigma and SAA, the Christmas Formal. The opening of the spring semester began with a boom as the brotherhood held a two-week clothing drive which resulted in over two hundred pounds of clothing donated to the Salvation Army. Pledge Session was held in February and ten brothers were added to the organization on March 1, Gamma Day. The new brothers learned about teamwork and community service when they had a campus-wide clean-up. Near the end of March the brotherhood co-sponsored, along with the Phi

Delta Theta fraternity, Water Warfare, which was one of the funnest activities held throughout the year. Next, the Gammas went out to Island Park and helped set up and run off the MS Walk, which raises money for people with Multiple Sclerosis. The brotherhood ended up the year helping Phi Kappa Delta send a care package to Bulgaria for the refugees of Bosnia. As you can see, the Gammas stayed busy throughout the year with a multitude of community service. Hopefully, with the right focus the community service will continue throughout the time of the Gamma Lambda Upsilon.

Phi Delta Theta

This was truly a landmark year for Phi Delta Theta and for Southwestern College. On April 8, 1995, the Kansas Zeta Chapter of Phi Delta Theta was installed as the 235th Chapter in North America, the sixth Chapter in Kansas, and the first international fraternity at Southwestern.

Our activities this year were focused on our chapter installation. But we did conduct a few activities such as helping to organize two blood drives, initiating 28 new members, raising money for disaster victims of the Oklahoma City bombing, raising over 300 cans of food for the Winfield food pantry at our first annual casino party, and some of the most exciting social events on and off campus.

In the next few years, Phi Delta Theta will use its resources, the leadership of its members, and help of our alumni to set the standard for brotherhood at Southwestern College.

Sigma Iota Sigma

Sigma Iota Sigma's main focus is community service. The sorority does service projects that help the people in the community. This year Sigma Iota Sigma members participated in many activities that were service oriented. The members worked on PhonePals during Halloween for the grade school and sponsored the Winter Formal with the Gammas. The Sigma members also did the Hawaiian Luau.

Student Host and Recruitment Program

S H A R P

The Student Host and Recruitment Program (SHARP) Ambassadors have an extremely important role on campus. Basically, the Ambassadors are in charge of presenting the campus to prospective students and their families. They do this by giving the students and their families campus tours and taking them to SC events such as football and basketball games, as well as theater presentations and dances. Many times the Ambassadors take the responsibility of hosting a prospective student for the night or an entire weekend. This allows the prospect to experience the dorms as well as a few meals in the cafeteria. It also allows the students to engage in more interaction with current students than would be possible during regular campus visits.

The Ambassadors take time out of their busy schedules to contact prospective students through the mail or by calling them. They also travel to churches around the state to give special talks designed to inform students and their families about Southwestern. With all the students out there, the Ambassador's jobs are never done.

KSWC

Southwestern's college radio station is a big hit in the Winfield area. KSWC is a non-commercial educational radio station which has been broadcasting for over twenty years. There are 23 disk jockeys including: Chris King, Sam Ellis, Brett Humburg, Shawn Franklin, Stephanie Gonzales, Brian Pagan, Teresa Latta, Marian Grieve, LySyin Lobster-Maddox, Natalie Moore, Ben Harbour, Jon Schneider, Christy Reedy, Dave Boyd, Missy Lupton, Richard Malone, Mike Shaw, Deanna Housh, Tricia Turner, Jennifer Holeman, Allison Ewing, Jared Bastion, and Aaron Stucky. Bill DeArmond is the faculty supervisor of KSWC.

Sam "Hollywood" Ellis worked as one of KSWC's D.J.'s after transferring to Southwestern.

"Russel N. Sheets" Chris King, KSWC production manager, entertains the listening area with a wide variety of music and witty humor.

Social Work Club

The Social Work Club prides themselves in doing projects that help the community. This year the club produced several projects, one of which was refurbishing an apartment as an emergency shelter for the Salvation Army. The group had a very successful coat drive in conjunction with the Winfield Cleaners. They also were awarded a Purple Heart award from Student Life for community service and campus involvement

This will result in hundreds of thunderous fans in stands helping to keep the team's spirit boosted. Go SC Volleyball!! Better luck next year, ladies!!

Running Through The Year

By winning the KCAC Championships at Tabor, both the men's and women's teams qualified for the National Championships in Kenosha, Wisconsin.

The season of 1994 was the first time in SC history that the Moundbuilders took a full women's cross country team to the finals.

The people who contributed to this mark in history were: senior Lisa Buller who took 29th place to become an All-American for the second time; next in line was sophomore Raquel Rios who set a new personal best time in cross country to take 91st place overall. The freshmen team of Pam Richert (156th), Heidi Hull (158th), Stepheny Berry (233rd), and Dena'Ensign (315th) all did their part to take the 19th place finish

overall.

The men's cross country team, ranked 11th going into the National meet, pulled another mark in SC history by tying the men's best ever performance as a team at the National meet. They came out 7th overall with the effort of all individuals. Jim Tucker led the men's Moundbuilder team by placing 10th overall to earn him an All American spot for 1994. Preston Richert placed 61st overall with a personal best finish. Following was senior Jamie Vasquez (86th), junior Steven Howe (87th), junior Troy Jordan (100th), senior Matt Woodard (138th), and freshman Mike Shaw placing 144th.

All-star line-up produces winning season

This year's Men's Builder basketball squad had an outstanding season. The team received recognition when senior Kyle Farrell was named Co-KCAC Player of the Year.

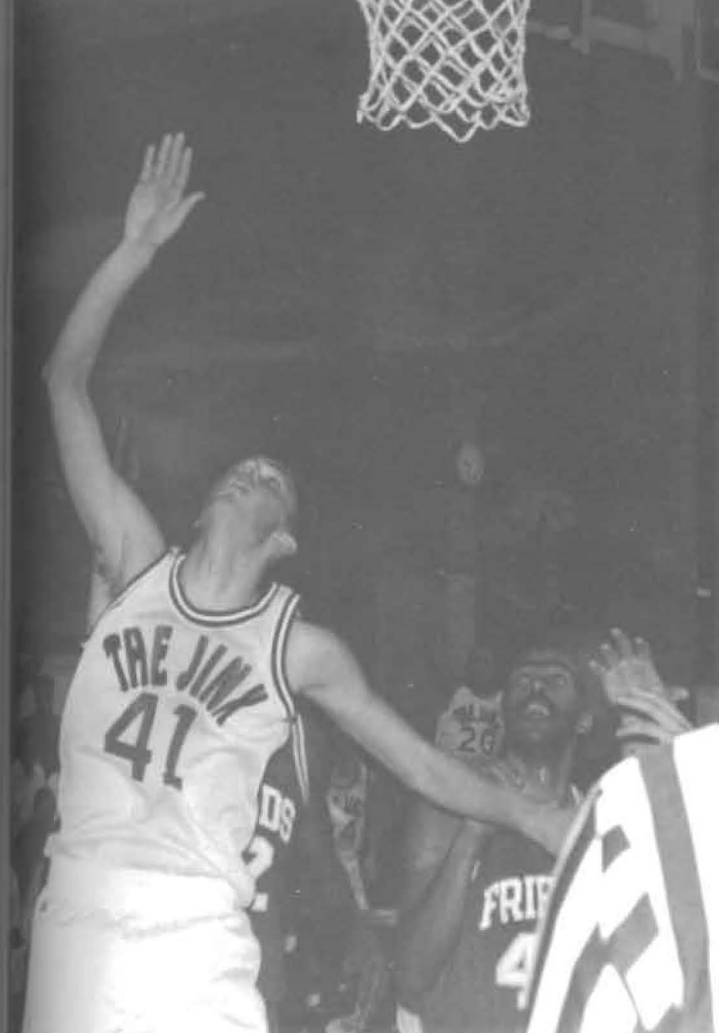

Perhaps one of the teams most exciting games was against Ottawa. The Builders lit up Stewart Fieldhouse in the 2nd period by shutting down the Braves offensive attack. Farrell scored 21 points and Scott Hartley added another 15. Donald Carter had 13

points with 3 assists and Aaron Roop scored 9 and had 3 assists. Scorers from the bench added another 15 points. This display of prime time basketball led the Builders to victory. The second period scoring alone was SC 48 - Ottawa 29. The final Builders score was 73 - Ottawa's 48.

The Builders look to have a victorious future with the return of several outstanding players: Scott Hartley, Keith Kinley, Daniel Chee, Donald Carter, and others.

Moundbuilding Ceremony Lives on

After listening to Allyson Moon and Bob Wimmer's annual reading of the original minutes, telling of the plans for the "Moundbuilding" Ceremony, everyone followed the torch bearers through the historical path down to the mound. Many in the past have thrown their dreams, expectations, as well as their memories, on the heaping mound of opportunities, started here at Southwestern College.

Another year has been marked by the incoming students looking up to the the returning students who carry on the sacred traditions of our school.

Bottom Right: Let's take a moment of silence as we look on at the only time of the year we are allowed on or even close to the mound without the alarms sounding.

A Mudslinging Good Time

They arrived alone, in groups, and finally in hordes. As the day's temperature reached a scorching high, the students and faculty of SC became restless with anticipation. When would this event, this "Kickback Day", begin? Who would win? Would it be the same teams as the year before?

The slaughter began and as team after team fell, the spirits of those surviving rose. Finally, the "Mud Ducks," being true to their names, proved to be victorious over the Phi Delts'. And in sand, "Heads Up 7-Up" could hold their heads high as they conquered FCA 3. The losers and spectators thought dreamily of the t-shirts they would not receive as the victors hosed themselves off and went home.

Homecoming Parade Changes Route

This year Southwestern decided to hold the annual homecoming parade downtown like it used to several years ago. In the last year or two, it started on College and flowed down Warren in front of Stewart Fieldhouse. Due to public opinion it was decided to return to Main Street between Fourteenth and Eighth. It had a very good turn out by the public, which lined both sides of the street. Some of the floats consisted of Cheerleaders, Sigma Iota Sigma, Phi Delta Theta, and several other organizations from the college and community.

Freshmen Work Their Way Into the Community

On August 20, 1994, 142 unsuspecting freshmen set out to make their presence known to the community of Winfield in a productive manner. The class was split into 14 teams and given specific tasks to accomplish during the day. Such jobs included house repair, painting, scraping, yard care, landscaping, and roofing. While a majority of the crews worked diligently, a few found time for Nintendo playing and cat painting. The freshmen ended the exhilarating day by being commended at a banquet held in their honor. For the most part, the freshmen thought it was a rewarding day and a wonderful experience.

The Good, The Bad, & The Ugly!

The Halloween celebration on SC's campus will last in the memories of most for years to come. No matter where people went, someone or something was lurking, waiting to create a little excitement in the yearly spook-day celebration. Students, faculty, and employees all shared in the excitement of getting to dress up and let loose on the one day of the year that deserves celebration in the territory of the JINX.

Far left: Bryan Foster
lounges behind Jaime
Vasquez and Lisa Buller
at the Winterfest Dance.

Left: Ameichia Perry is
really happy to be par-
ticipating in Freshman
Work Day.

Double Take!

"Double Your Pleasure and Double Your Fun" five times over with all the new sets of twins on the SC campus. It's a new record for Southwestern's history book. Forget about studying for class, try studying the faces and not getting confused. GOOD LUCK!

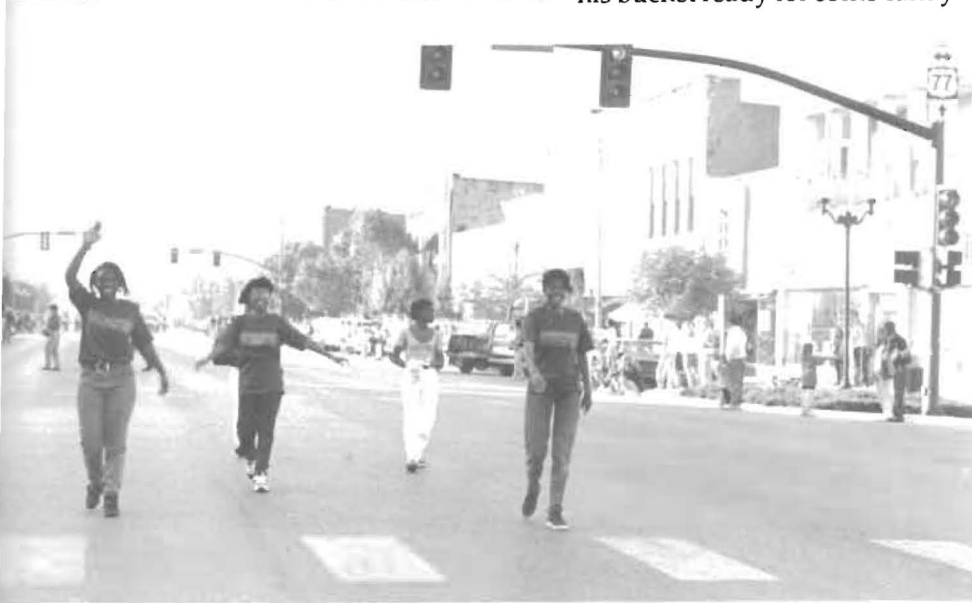

Top Right: Brett & Burt Humburg, Middle Right: Andrea & Allison Koontz, Bottom Right: Tim & Tom Bond, Top Left: Amy & Ashley Alley, Bottom Left: Kelli & Michelle Powell.

More Freshman Stuff

Left: After hours of decorating for Halloween, Eddie Reyes gets his bucket ready for some candy.

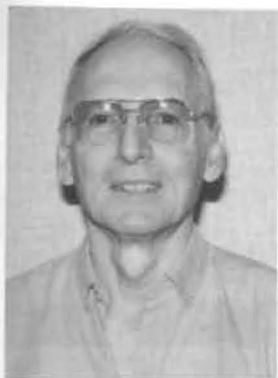

Left: The police are searching for these women after they failed to stop at the red light during the Homecoming Parade.

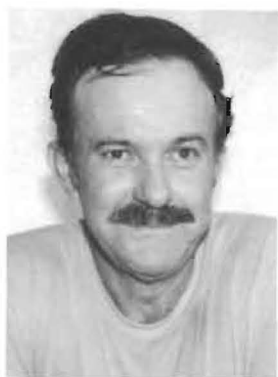

Left: Could this be?? Robbie Johnson, Darren Hornbeck, and Jeff Olsen put in study time at the CLC. There must be some great force behind this.
