# SAA

The Student Activities Association started off the 1995-96 school year with a bang. The back-to-school carnival and the dance on the 77 gave SC students just a hint of the exciting activities yet to come. A cabinet of essentially new officers combined efforts and ideas to ensure SC students would have activities to keep them occupied. SAA sponsored activities included free bowling nights, free movie nights, and free skating. Larger events like Fun Flicks, a formal dinner, comedians, and the spring formal also were hits due to the hard work of SAA.

# Student Government Association

SGA was busy this year redefining what its role should be in the college. The most important change was the revision of the constitution. "The old constitution was just no longer functional for our new, diverse campus community," stated K.J. Pittman. "Also, it was full of loopholes and mistakes. Our new constitution is strong and hopefully will endure for years to come. With a new image and direction, SGA accomplished many tasks, such as new housing policies and a pilot recycling program.

# The Collegian Celebrates Its 100th Volume

Above: So Many Deadlines, So Little Time!-Editor Robin Hathaway works to finish an article for the upcoming deadline.

Last year marked a milestone for the *Collegian*. The paper celebrated its 100th volume. Although it is not known exactly when the paper was founded, the best information indicates that the *Collegian* was founded in October 1894 by Viola Price, Editor; Alisa Piersal, Associate Editor; and Charles Lowe, Business Manager.

The 1995-96 *Collegian* staff was smaller, but the quality of the paper did not decrease. Editors Jerome Bailey and Robin Hathaway felt that the paper became better. Jerome remarked, "Since last year the *Collegian* has matured. We have more diversity, especially since students outside the staff have been contributing articles." Robin agreed, "I have gotten many compliments about the paper and its diversity."

The Southwestern College *Collegian* was done on Macintosh computers in the program Pagemaker. It was then sent to be printed at the *Winfield Daily Courier*. After being printed, the papers were delivered to the college and circulated to 1000-2000 students, alumni, and friends.

# Moundbuilder

The 1995-96 Yearbook staff had a unique start. It is now considered a class which meets four days a week and a weekly project is assigned. Also new this year is the concept of three co-editors sharing responsibilities instead of one editor. With these new changes the yearbook is off to an excellent start bringing you the memories that you'll cherish for a lifetime.

# Nobel Conference XXXI

Professor Terry Barnett and nine Southwestern college students traveled to Gustavus Adolphus College, in St. Paul, Minnesota, for the thirty-first annual Nobel Conference.

The topic for this year's conference was "The New Shape of Matter" held on October 3rd and 4th, 1995. At the conference six honorary scientists lectured on the latest scientific achievements and products that could help shape the future. The lectures ranged from research of nonequilibrium materials to short magic tricks over the complexity of a carbon ball named Buckminsterfullerene. Two of the scientists were Nobel Laureates for their research in physics. Wrapping up the Conference was a philosopher by the name of Fredrick Ferre, who inspired the audience on his lecture over science and life.

The lectures included:

- Pr. Philip W. Anderson (Won the Nobel Prize in 1977 for physics)
- Pr. Susan N. Coppersmith (physicist)
- Pr. Pierre-Gilles de Gennes (Won the Nobel Prize in 1991 for physics)
- Pr. Harry B. Gray (chemist and physicist)
- Pr. Harold W. Kroto (chemist and molecular scientist)

# Debate

The 1995-1996 Debate Team was amazing this year, not only in their ability to debate but in their compassion for the community of Winfield. The Debate Team gained three freshmen: Roger Flores, Shanna Jordan, and James Rosenthal. Roger Flores, a freshman at S.C., says, "Debate has brought me to S.C. It has been worth every hour of research and competition. I love this game. Thanks Southwestern." The Debaters have traveled to attend several tournaments. For example, they have traveled to Wichita State, University of Central Oklahoma, Emporia State, Johnson County Community College, and Kansas State. Shannon Clements, a sophomore at S.C., says, "The year has not gone as planned, but it still has been decent. We had a rough start due to pairing people together and working out personal differences."

The Debate Team adopted a needy family from Winfield during the Christmas season. The debaters bought food and a present for each family member. Their team has been successful this year through hard work and dedication.

# Campus Players

Above: **Earnest** - Craig Thompson and Donelle Bergeson in the annual performance of "Eagerheart."

Making it through the tough selection process of becoming a Campus Player is an honor bestowed on a select number of drama students. Campus Players are involved in a variety of tasks including technical work, set painting, and acting, as well as other duties required for a production to take place. In the fall, the Players helped present a drama workshop for local high students. As a special production for the community during the Christmas season, "Eagerheart" was performed by only Campus Players; active and alum. To honor each Campus Player individually, a caricature is drawn and hung in the Christy Hall Gallery upon graduation.

# Southwestern Choirs

The vocal department, under the leadership of Dr. James Schuppener and accompanist Dr. Timothy Shook, includes the Southwestern Singers, A Cappella Choir, and Women's Chorus. The outstanding groups perform various concerts for the community throughout the school year. The groups have used their talent to entertain various churches and civic groups. This spring the Southwestern Singers and A Cappella Choir were privileged to travel and perform throughout Texas. The trip was devoted to hard work and dedication but they still were rewarded with some sightseeing. After a long day, their food and lodging was provided by the host families. Due to the excellent leadership, interest, and talent the music department has created, the program has grown to its present status.

# Psychology Club

In only its second year on Southwestern's campus, the Psychology Club gained new members and ideas. A pre-Halloween party was held to help everyone get re-acquainted. Members visited with a husband and wife team of psychologists to discuss various job responsibilities. In April, the group bowled up a storm to raise money for Big Brothers and Big Sisters.

Meetings were held every other week. Students shared what they observed in their practicums or volunteer placements and obtained valuable graduate school information. A main priority was to organize a going away party for the ones who will not be returning in the fall. This organization is one to keep an eye on; having fun while learning about the fields of psychology is their top priority.

Formed from the roots of the Theta Phi Delta fraternity that was founded at SC in 1966, it is the only national or international social fraternity at Southwestern.

Phi Delta Theta started off the year with a rush week which included the traditional Theta water polo match and helping renovate the Star Arena. Once again, we assisted the Walnut Valley Association by cleaning up the fairgrounds during and after the 24th annual Bluegrass Festival.

The Phi Delts sponsored the annual April Fools' Day bash at Winfield Lake. We also sponsored Casino Night for the second year in a row. The chapel in the basement of Christy was renovated to accommodate the TV station. To celebrate SCTV's tenth year of broadcasting, the new facility was dedicated to talented and successful former students of the mass communications department. Dr. Bill DeArmond, professor of mass communications and film, hopes to eventually move to a closed circuit television station that would be for Southwesterners's only. KSWC continues to air on FM 100.3. The station operates seven days a week. Student disc jockeys play music of their choice from the weekly playlist and from music in the station.

# Leadership Team

Southwestern College was blessed with the presence of the Leadership Team for the second year. Director Cheryl Rude encouraged the new and returning members to get to know each other through activities that included peer mentoring, cookouts, community service projects, and a tennis tournament. Class work was not the only medium for learning as students were required to conduct interviews, attend seminars, among other things. The first year members traveled to New York City to do mission work. The second year team headed to western Kansas to view leadership positions in action. These activities were instrumental in improving their individual leadership skills. Their hard work was rewarded as the team increased their potential as powerful leaders.

# Gamma Lambda Upsilon

The Gammas had another strong year for social events and community services. In October the fraternity held an important forum dealing with date rape. Also in October they co-sponsored the Halloween Dance with SAA. In February the Gammas had their 3rd successful pledge session which lasted a month. During that time the fraternity held group building activities and special service projects including a clothing drive. In April members helped with the MS Walk and organized a benefit concert to help raise funds for Big Brothers and Big Sisters of Cowley County. The members of Gamma Lambda Upsilon were sad to see many members graduate, including five of the founding fathers.

# Pi Delta Sigma

1995-1996 was a new beginning for Pi Delta Sigma. Off of suspension, the co-ed fraternity started the year on a positive note. They had a welcome back bar-b-que, placed second in the mud volleyball tournament and did their adopt-a-highway work. An October pledge session brought in twelve new members. A christmas party was held and they co-sponsored the annual Valentine's dance with SAA. In April they had a farewell party for their graduating seniors. Members of Pi Delta Sigma also participated in SAA banner night and worked hard for the purple heart award.

# Builder Football

The 1995-96 football team finished with an overall record of 6-4 and a KCAC record of 5-3, positioning them for a third place finish in the conference. The Builder offense averaged nearly 400 yards a game while the defense gave up 340 yards a game.

Capping off a successful season were many players making the All-Conference Team. Selections were Michael Raschen, Gary Strange, Tyree Miles, and Heath Starnes with first team honors. Second team included Ricky Smith, Chad Johnson, Richard Malone, Amon Turner, Mark Sasser, Shane Eidson, and Josh Bradford. Rounding out the All-Conference picks were Darian Dulin, Dustin Donley, Lloyd Bradshaw, Paul Jackson, Steve Waller, and Brook Henderson with Honorable Mention.

# Pom Squad

Southwestern College sports expanded to include a Pom Squad for the 1995-96 school year. The Squad was separate from the cheerleaders. The Squad was made up of sixteen women: three freshmen and the rest was composed of returning students. Nancy Lewis was head coach with Dawn Pleas-Bailey as assistant coach. Joyelle Pickett was captain of the Squad. The Squad performed at the home football games and both men's and women's basketball games.

The squad had a successful year and the future of the Southwestern Pom Squad looks very strong. The Pom Squad promises to be a sport that will soon be a tradition here at Southwestern.

# Cheerleading

Purple pride is alive and strong here at Southwestern in '95-'96, and it is most evident in the SC cheer squad. This year the squad, under the instruction of Nancy Lewis, consisted of fourteen cheerleaders.

This year's squad was a relatively young squad; Jennifer Stine, Benn Jackson, Renea Hibbs, Brian Garrison, and Eli Jantz were the only people to return to the squad. But the talent and spirit of the newcomers proved to be a welcome part of the already energized squad. The new additions to the team were; Leigh Donaldson, Marcy RoBards, April McClaren, Matt Scholfield, Tony Holmes, Jessie Brass, Carrie Plumley, Dina Suarez, and Amy Williams.

Besides performing for football and basketball games, the SC pom squad volunteered their services to the community of Winfield and the Winfield Halloween Parade. These good deeds keep the Builder spirit alive at Southwestern.

Two seniors, Camille Sneed and Melissa Pickerign, were named to the NAIA All-American Scholar-Athletes program. Also named to the program was junior Janaye White. These three were also named to the KCAC All-Conference team. Kim Purkeypile, a junior from Wamego, Ks, was nominated to the KCAC All-Conference 2nd team.

Freshman sensation Sara Peterson made a contribution to the '95 season, by ranking 4th in assists within the KCAC for the Lady Builders. (Individual stats were: 598 total with an average of 6.7 per game)

Sara Peterson expressed her opinions on the season and the team goals for the future. "I thought we had a great season finishing 2nd in the KCAC. The team was very supportive towards me as a freshman," she said. "The reason we were so successful was because of our team unity."

She further stated that the age or youth of a team does not determine a winning season. As long as you set goals, you can achieve anything. Her thoughts for next year were positive ones as long as everyone works hard, sticks together, and keeps the love for the sport.

# Cross Country

Three a.m. runs averaging 60-90 miles per week plus Sunday runs of 6-15 miles is nothing unusual for Southwestern's cross country teams. These fine athletes worked hard and proved themselves time and time again with first place finishes at the Oklahoma Christian IV, the Oklahoma Baptist University Invitational, and the KCAC Championships by both the men and women's teams. Individual awards included NAIA Academic All-Americans honors to Troy Jordan and Jeff Prothro. Jordan and Prothro were joined by Preston Richert, Jason Braun, and Mike Shaw to become NAIA Team Scholar National Champs. This year the men's cross country team had six All-KCAC runners and three Honorable mention and on the women's side there were five All-KCAC runners and one honorable mention. These teams had a very fulfilling season, with the usual highs and lows as they sustained the normal amount of injuries and had a very young team, however the awards they receive speak for themselves.

**Speeding-** Troy Jordan exceeds the limit during one of the many races Southwestern's Cross Country team participated in.

# BUILDERS FINISH STRONG

The lady builders finished the season strong by taking second place in the KCAC tournament and ended the season with a dual record of 10-2. They finished in second at the Bethel Invitational and finished third in the Emporia State Invitational during the season. Jessie Brass and Amanda Folck were named to the first team All KCAC. Amy Jones, Kellie Powell, and Amber Martin were named to the second team All KCAC. Amanda Folck was given the KCAC Sportsmanship Award and Steve Vann was named Coach of the Year.

Although the team suffered a surprising loss at the beginning of the year, the season wasn't disappointing to coach Randy Smith, a 1985 SC graduate. According to Smith, "The future looks good, having high expectations for good growth." He bases his optimism on three things: the school's reputation, the school's standards, and the recruiting tools. The team is only losing two seniors this year: Brian Petty and Scott Galliard.

# Trainers Prepare For New Year

As the athletic trainers get ready for a new year, they find themselves under the new leadership of Lori Burton. She graduated from Southwestern in 1994 majoring in HPER. This year's trainers under Lori Burton are: Amy Alley, Jason Brandenburg, Ashlee Alley, Leslee Gibson, Melanie Dauster, Lindsay Peter, Janet Walton, Jennifer Russom, and Burt Humberg. Their jobs stress the maintenance and prevention of injuries. They work many long hours which go toward athletic trainer certification.

This years golf team is a relatively young group of players. According to head coach Bill Stephens, "The team is inconsistent because of their youth and we hope to eliminate the inconsistency and improve the team." Chip Huston, a transfer student, brings tournament experience to the team although he's a freshman.

# Men's Basketball

Long practices, determination, and the desire to win were common goals for the Moundbuilder Men's Basketball Team. The team was not lacking in talent. However, falling short was a common occurrence this season. Starters were constantly changing as a winning team was being established. Despite the tough start, support for the team was at an all-time-high as the student section was always full of cheering fans. When asked about the team's over-all performance, a player stated that the long, hard practices were worthwhile, and the level of satisfaction was at an all-time high.

The Lady Moundbuilders were 9-18 overall, 6-10 in the conference. They were fifth in conference standings.

# Moundbuilding Ceremony

Moundbuilding has become a definite link between SC students, the ceremony this year proved. Boulders from sports teams to personalized pebbles from students graced the mound with their presence. The ceremony started at the football field and ended at the mound. Class presidents, organization members, professors, and others shared bits of information about the occasion. Students attending the ceremony had positive feelings. Some felt the tradition helped new and old students get acquainted, helped raise school spirit, or just simply gave people an insight into SC's history.

# Kickback Day

Dripping in sweat, adrenalin rushing, sand stuck to their faces, mud caked to their bodies, and to add to the intensity, volleyballs flying at their noses, described the participants of the annual Kickback Day volleyball tournaments. For some, this would be far from a walk in the park, but for the participants of the annual Kickback Day volleyball tournament this was a day to die for.

A total of 13 teams participated in the mud and sand volleyball tournaments. The Phi Delt/SIS team took the title for the mud tournament, and the FCA3 team won in the sand tournament. All in all it was a good day for everyone, except for the innocent bystanders who were thrown into the mud pit.

# Freshmen Work Day

Freshmen work day is considered to be a valuable experience for all incoming Freshmen and international students. On August 26, 1995 the Freshmen set out on their day-long excursion to help several members of the Winfield community. Painting houses, building wheel chair ramps, and cleaning up trash were just a few of the jobs completed. Several students agreed that it was a long day with a lot of hard work and also a lot of fun getting to know faculty, upper classmen, and fellow Freshmen. The hard day was followed by a banquet that evening where the Freshmen received recognition for the services they provided. Jerome Bailey who helped organize the Freshmen Work Day stated, "It was a good day. This group was very energetic; they worked long and hard and met their deadlines."

# Alternative Spring Break

Members of S.H.A.R.E. and C.C.O.M. decided to spend their spring breaks in an alternative fashion. Their ten day trek began by driving to Washington, D.C. to attend the annual C.O.O.L. (Campus Outreach Opportunity League) at George Washington University. A week was spent in the D.C. area attending sessions and workshops, helping clean up litter on the Anacostia River, and touring. The next leg of their journey took them to Red Bird Mission in Beverly, Kentucky. While there the group did service work on the compound and some work in the community.

# Valentine's Day Dance

The Valentine's Day Dance, co-sponsored by Pi Delta Sigma and Student Activities Association, was held on February 10, 1996 from 10:00 P.M. to 1:00 A.M. The event included dancing, refreshments, broken hearts, and new promises. Chris King was the D.J. for the dance, playing all the greatest hits. Cupid's arrows were definitely flying for all the couples who attended the dance. A good time was had by all.

Above: **Bust A Move!**- Jill Gragert, Shane Armstrong, Jason Brandenburg, and Melanie Dauster put on their dancin' shoes and tore up the dance floor.

Above: **Chug-A-Lug.**- Lisa Milner and Kristen Martin take time out from their heavy drinking ( non-alcoholic beverages of course) to smile for the camera.

# Futurewatch Time Capsule

For their final exam, the Futurewatch class, taught by Jeanne Dexter, gathered items to be put into a time capsule. The capsule will be sealed for 25 years (2021). Students were responsible for items signifying their time spent at Southwestern College. Everything from Twinkies to termites to pictures to assorted video tapes of the year was sealed up tightly by the senior members of the class.

Above: Mike McWhirt, Pam Richert, and Kevin Colvin look at the picture Stacey Robbins is about to put in the time capsule.

Right: Richard Malone proudly displays termites from Shriwise, his contribution. Christy Grealis looks appalled while Russ Snyder is too absorbed by the football to notice.

Dena Ensign can't believe what Robert Bennington just put in the capsule.

And one more thing — Jeanne Dexter drops in a sealed envelope. Only she knows the contents.

Seniors Chris King, Christian Link, Shala Link, Kassi Dyar, and Eli Ja seal the time capsule.

# Banquet To Honor Organizations

Representatives from organizations on campus gathered in April to recognize the accomplishments of each campus group. Cheryl Rude, Director of Leadership Development, organized the annual event held in Wroten Hall. A service award, The Purple Heart Award, was given to seven organizations: Pi Delta Sigma, represented by Tonya Edelman; Gamma Lambda Upsilon, represented by Jeff Prothro; Social Work Club, represented by Debra Davis; Fellowship of Christian Athletes, represented by Scott Jagodinske; Sigma Iota Sigma, represented by Jennifer Russom; Debate, represented by K.J. Pittman; and Campus Players, represented by Robin Hathaway.

Purple Heart winners: Tonya Edelman, Jeff Prothro, Debra Davis, Scott Jagodinske, Jennifer Russom, K.J. Pittman, and Robin Hathaway.

Cheryl Rude was in charge of the event.

Doesn't anyone feed you, Geoff Grabow?

Ummmmm! Kyle Woodrow really enjoyed the food.

Amy Headrick acted as mistress of ceremonies for the organization banquet.

Jennifer Russom told the group about the activities of Sigma Iota Sigma.

Listening attentively for her group to be called, Robin Hathaway.

The Debate rundown was presented by K. J. Pittman.

# Honors Convocation

The annual celebration of student honors was held April 22, in Richardson Auditorium. Following tradition, Juniors lined the 77 Steps to cheer the Seniors as they marched up the steps to Christy. The robed Seniors were followed by the faculty in full regalia, always an impressive sight. Honors were announced during the ceremony with many more student honors printed in the program.

Who's Who Among Students in American Universities and Colleges: 1st row: Christy Ball, K. J. Pittman, Rence Seyb, Amy McWhirt, and Melinda Craft. 2nd row: Vicki Lolar, Christian Lutz, J. D. Smith, DeLee Hadsall. 3rd row: Janis Jones, Tonya Edelman, Heather Rucker, and Justin Watkins, Debra Davis, Lori Peters, Sid Fleming, and Robin Hathaway. Not pictured: Stephanie Gonzales and Joanna Kessinger.

Amanda Finch and Rigaile Crittenden were the Junior Marshalls.

Graduation 1996 for Southwestern College was held on May 5, a breezy spring day. After being greeted by President Carl Martin, Dr. Melvin Cheatham, class of 1955, delivered the commencement address to the graduating seniors and a near capacity crowd in Sonner Stadium. One hundred ninety graduates participated in the ceremony.
