Projects to potentially be outsourced:

Research Project Redesign:

- Redesign focus of the course to include demonstration of ability to meet program outcomes by learner's major and to include a reflective section on learning as a whole. Completed-Jeni-July 08
- Redesign course shell. Completed-Jeni-July 08
- Conduct faculty training for instructors who have been assigned to teach the research project class. Jeni to work with Stacy T on fall Research Project classes. July 08
- Develop grid to track assessment results by major. Completed-Candyce-July 08
