Course _____ Instructor _____ Semester/Year _____

Did you feel you worked at your full potential? If so, how did you achieve your motivation? If not, how could you stimulate yourself to work harder or how could I inspire you more?

Were you sufficiently challenged with your lessons and your music?

What did you learn about technique this semester (e.g., breathing, breath control, bowing, phrasing, fingering, pedaling, etc.)?

If you were to grade yourself, what grade do you feel you earned this semester?

What are the two most exciting things you have learned this semester about music and or the instrument you play?

Did you improve? _____ What were your goals, and which ones did you reach?
