

# IMPORTANT ACCOUNT INFORMATION FOR STUDENTS

Welcome to Southwestern College! Our billing policy requires students to have their account paid in full by the first day of classes for each semester. For your convenience, if you are unable to pay in full, we offer a payment plan option. Payment plans can be set up online through ePayment and should be in place by the first day of classes. Your payment plan will need to be set up BEFORE you will be issued your Southwestern College ID or be able to obtain your laptop. For new students, this needs to be completed before the residence halls open each semester.

**Important! Your registration will NOT be considered finalized until you set up a payment plan or pay your balance in full.**

## Access to ePayment:

- ❖ Log in to Self-Service (<https://web03.sckans.edu/SelfService/Home.aspx>)
  - If you are registering for classes, you can 'Select a Payment Method' at the end of this process, and pay in full or set up your payment plan.
  - If you have already registered for classes, go to the Finances tab and select 'ePayment'.

## To pay in full:

- In the 'Your Account' box on the ePayment screen, select 'Pay'
  - Make your payment in full with ACH (electronic check) or Credit Card Number
  - No enrollment fee

## To set up a payment plan:

- Payment Plans can be set up conveniently through Self-Service without having to come up to Student Accounts.
- In the 'Payment Plans' box on the ePayment screen, select 'Enroll in Main Campus Payment Plan'
  - View Agreement and select 'OK'
  - Pay your \$30.00 non-refundable enrollment fee
  - Enter your ACH (electronic check) or Credit Card Number for your automatic payments
  - Payments are due the 10<sup>th</sup> (or first business day) of each month.
  - An email reminder will be sent 3 days prior to each due date
  - Any additional charges or credits (i.e. bookstore charges, scholarships, etc.) will be spread out over the remaining months of the plan

## Students receiving financial aid:

- Your financial aid will show up as "Anticipated Aid" on your account until the funds are actually disbursed at the beginning of the semester. Any payment plan or full payment will be calculated on your charges less your anticipated aid. Any questions can be directed to the Financial Aid Office.

## To enroll in eRefund:

- If you will receive enough financial aid to receive a refund check, you can have it directly deposited into your checking or savings account.
- To enroll in direct deposit, go to Self Service/Finances tab/ePayment. In the ePayment screen, go to the eRefund box and select "Enroll in eRefund". Follow prompts.
- By enrolling in eRefund, you will receive your payment several days before receiving your paper check in the mail.

## To order textbooks:

- Sign Out of the ePayment screen
  - Select 'Sign Out' to completely log out of ePayment. This will direct you back to the Self-Service's 'Complete' screen
  - Select '**View/Purchase Textbooks for Registered Course**'
- MBS Direct vouchers will be available to students approximately four weeks before courses begin. You should receive your voucher for textbooks via email once you are enrolled fulltime. This voucher will allow you to charge books to your SC student account and use financial aid to cover the cost. If the charges create a balance on your account, it will be your responsibility for payment.
- There is also a link to the MBS online bookstore on the Home page in Self-Service.

## To change your meal plan:

- Meal plan changes can be made through Residence Life through the last business day before residence hall sign-in/business day before the dining hall opens (August 12, 2019). Submit the self-service housing change application form. Charges will be adjusted accordingly after the request is processed.

## To elect to receive your 1098T electronically:
