

METEOROLOGIST

KAKE-TV, the ABC affiliate in Wichita, Kansas, has a full-time on-camera Meteorologist position available.

Primary duties will be on-air weekend afternoons and nights, plus three days with a mix of on-air, weather producing, and digital. This position will be 100% weather focused with NO news reporting.

This position is highly involved on-air during continuous severe weather coverage. Radar interpretation skills, including the ability to value add and properly communicate threats live on-air, rather than rely solely on NWS is paramount.

The successful applicant must be an AMS CBM, or meet the qualifications to obtain. The ability to forecast, create on-air/digital weather content, and present live from in-studio or on-location is required.

To apply, please send resume and example of work to:
