To order textbooks: (<https://www.sckans.edu/student-services/bookstore>)

BNC vouchers will be available to students approximately four weeks before courses begin. You should receive your voucher for textbooks via email once you are enrolled fulltime. This voucher will allow you to charge books to your SC student account and use financial aid to cover the cost or be included into a payment plan. If the charges create a balance on your account, it will be your responsibility for payment. BNC is offering free shipping with a \$99 minimum purchase on your books.

Authorized Payers:

A student may create an Authorized Payer in the 'My Account Tab' of ePayment to allow parents, guardians, spouse and other authorized users to access his/her ePayment account information. An Authorized Payer must be created by the student by sending a Payer Invitation before it can be used to make payments, set up payment plans or receive notifications about payment plans due dates or annual tax forms.

eRefund/Direct Deposit Refund:

By enrolling in eRefund, you will receive any credit balance payments several days before receiving your paper check in the mail. In the ePayment screen, go to the 'My Account Tab'. Under the section 'Direct Deposit Refunds' select the 'Sign Up link'. Follow the prompts to have your refunds electronically deposited to the account you choose. You can also resume paper check delivery at any time.

Annual 1098T Tax Forms- Sign up for Paperless Delivery:

In January, SC will provide you with a 1098T form to assist you with claiming educational tax credits when filing your federal income taxes. Individuals who sign up for electronic paperless delivery through ePayment now will be able to access the form more quickly than waiting for a paper form to be mailed. Paperless delivery also helps prevent forms from being misplaced or delayed and is environmentally friendly!
